

It's soon to be Christmas

It's soon to be that time of year
When carols are sung for all to hear
When mince pies are eaten and stories are told
And we all come together, young and old.

It's soon to be that special day
When Santa flies high in his sleigh
And puts gifts under the tree
Lots for you and some for me.

It's soon to be here and I can't wait
We must begin to decorate
A ribbon here and a bauble there
Wrap the presents, there's lots to spare

But when it's done, we'll all sit down
And by the fire we'll gather round
We'll hang our stockings and wish for snow
Then off to bed we'll swiftly go.

I'll close my eyes and fall asleep fast
And when I wake up, it'll be Christmas at last!
Merry Christmas everyone!
