## RSE Survey

At Barrowby Church of England Primary School we believe that:

*As a Church school family, we strive for excellence, ensuring that we all feel happy, valued and loved. We aim to provide an exciting, innovative, and relevant curriculum that enables all to 'shine' and develop as creative, respectful and independent citizens. We seek to promote equal opportunities for all so that each individual is encouraged to achieve their full potential and become lifelong learners who can make a positive contribution to society.*
