

Barrowby Church of England Primary School

After School Provision Survey 2019

Dear Parents/Carers

Thank you for completing the survey regarding the possibility of After School Provision here at Barrowby CE Primary School. We had 191 responses from a possible 259.

We asked the following questions:

I would be interested in using the after school provision:	Yes	110	57.6%
	No	81	42.4%

Thank you for your comments.

It is pleasing to see that an 'After School Club' is something that our parents/families would find a useful addition to the school's Wrap Around Care offer.

If 'yes' please indicate the days that you are likely to use the provision:

Monday	50
Tuesday	73
Wednesday	62
Thursday	59
Friday	44

Thank you for your comments.

As can be seen from the responses, demand seems to be fairly evenly distributed throughout the week.

If 'yes' please indicate until what time:

4.30 pm	127
5.30 pm	64

Thank you for your comments.

It is interesting to note, that the majority of parents/families would access this support until 4.30pm with a greatly reduced number needing this provision until 5.30pm. This may have an affect on costings.

We also gave parents an opportunity for any other comments. These include:

- *I would require it until 5.30 as I work until 5. The school need an After School Club on site.*
- *I would use it if a sibling was at an after school club to save picking up at two different times*

Thank you for your comments.

The consensus of parental opinion is that this provision would be a useful addition to our school's services.

A further 10 parents (4%) commented:

- *I would like to suggest that this needs to be open until 18:00 for this to work for our family, due to work commitments.*

Thank you for your comments.

Unfortunately, due to the school's infrastructure we would not be able to facilitate an 'After School Club' open until 18:00.

And 2 parents (3%) commented:

- *I would need to be able to pay using my government tax free childcare account please.*

Thank you for your comments.

We will endeavour to explore the practicalities for using the government childcare vouchers.

Once again, I thank you for your cooperation and assistance and look forward to working with all the stakeholders of our school, striving to enhance even further our provision and opportunities available to all.

Yours sincerely

Mr L Batey-Head teacher
