

Mathematics

- Can count in multiples of 6,7,9,25,and 1000.
- Can compare, order and write numbers up to 10,000.
- Can count backwards through zero to include negative numbers.
- Can add and subtract numbers with up to 4 digits using efficient written methods.
- Can solve two-step subtraction problems deciding which operations and methods to use and why.
- Can recall X and \div facts for multiplication tables up to 12 X 12.
- Can count up and down in 100ths and recognise that 100ths arise when dividing an object by 100 and dividing 10ths by 10.
- Can identify, name and write equivalent fractions of a given fraction.
- Can add and subtract fractions with the same denominator.
- Can convert between different units of measure (e.g. kilometre to metre; hour to minute).
- Can read, write and convert time between analogue and digital 12 and 24 hour clocks.
- Can compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes.

Barrowby Church of England Primary School

END OF YEAR EXPECTATIONS FOR: STANDARD 4: Year 4

This booklet provides information for parents and carers on the end of year expectations for children in our school.

The National Curriculum outlines these expectations as being the minimum requirements your child must meet, in order to ensure continued progress. The enclosed objectives for this standard, are worked on, throughout the year and are the focus of planning for direct teaching. Children will be judged, by teachers, as working within their year group standard, as either:

Working Towards: working towards the required standard e.g. WTS4

Expected: working at the expected standard e.g. EXS4

Greater Depth: working at a greater depth in the standard e.g. GDS4

Teachers assess children against criteria related to the enclosed objectives, across the whole academic year. Teacher judgements about attainment are made using a range of evidence including 'day to day' (formative) assessments and more formal assessments, at the end of each half term (summative assessments).

Any extra support you can provide, in helping your children to achieve these, is greatly valued. If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

More detailed information is available on our school website:
