LB would like to hold future movie nights during the autumn and spring term as the summer term is already very busy. Sports day was a great success and was lovely to have parents etc back in the school. The refreshments sold well especially the cold drinks. Tuck shop This is very slow going and not selling much as yet. We will keep it going for another term and then decide whether it is worth continuing with

Readiness for upcoming events	Frozen Fridays These are going really well and only 2 more to go So far we have made a profit of £278.95 Family games night Friday 7 th October Speak to AD about ideas for this as she had a lot suggestions at the last meeting. LB said to keep it simple and maybe just do a bingo night if it would be easier to organise. FOBS committee to meet over summer (play date) to discuss ideas Curriculum workshop This will be held in November and will be discussed at the next FOBS meeting Other events that will require FOBS attendance are Harvest festival – refreshments The Christmas events Book fair in march Summer fair next year. One of the biggest events on the calendar so lots of help will be required LB said that the Spring term is the quietest for FOBS so this is when the committee could hold other events	AD
