

Orange Ice Lollies

This has got to be the easiest recipe ever! And because it's so lovely outside, it's certainly an appropriate one.

Ingredients provided

Orange Juice

You'll need to add

Ice Lolly moulds

Optional sliced orange pieces

Directions

- Pour the orange juice into the moulds.
- Place in the freezer until full frozen - approximately 24 hours.
- Enjoy in the garden.

You can add pieces of sliced orange for an extra fruity treat, or any other fruit you fancy!
