

What have WE been up to?

Over the last few weeks, you've been sending your photographs into school showing all the activities you've been doing. I bet you've been wondering what the teachers and staff have been up to when they're not preparing your lessons!

Well here's your chance to find out. Each of the pictures below relates to an activity that each staff member has been doing, from walking, bird watching, embroidery, gardening and even den building, but who did what? On the next page you'll find an answer sheet and a list of all the staff who have taken part.

Good luck!

Please send your completed entries to year3teacher@barrowby.lincs.sch.uk by Friday 5th June and a winner will be selected from KS1, Year 3/4 and Year 5/6.

Good luck!

Here's a Reminder of all our lovely staff!
