Dear Parent/Carer,

National Space Centre Visit

From September, our Year 5 topic is all about Earth and Space, and to help round off the children’s learning this term, we are planning to go to the National Space Centre, in Leicester.

The National Space Centre has a wide variety of interactive hands on galleries for our children to explore during the visit. These galleries contain everything you need to know about Space including: How Stars are formed, What is gravity like on other planets? and what is it like to be an Astronaut? As part of our visit we will also have a Planetarium Show included, in the 360 degree Planetarium they will experience one of the amazing shows all about Space.

The visit will take place on Friday 1st December 2023.

Please ensure that your child arrives at school at 8:45am to allow a prompt departure from school at 9.00 am to the Centre. We are expected to arrive back at school in time for usual home time (3:15pm).

In order for this visit to be financially viable, we do need a very high level of participation. In the event of insufficient support it is possible that the visit will not be able to go ahead.

The cost of the trip will be £24.54 per child. This can be paid through ParentmailPMX.

Payment is due by **Friday 3rd November 2023.**

If there are any difficulties regarding payment, you may be eligible for a remission of the costs, if you are in receipt of qualifying benefits. We would also be willing to extend the payment period in certain circumstances, subject to a definite payment schedule being agreed. Please contact the school office for further information about this– any such enquiries will be dealt with in the strictest confidence.

Children will need to bring a packed lunch and their water bottle with them on the day of the visit and be in full school uniform.

Please could you complete the form below to give permission for your child to go on this visit.

Yours sincerely

Mr L Batey
