## **Welcome to Barrowby CE Primary School**

Thank you for giving your time to be a school governor and for contributing to the life of our school.

This guidance has been created to bring together the information pertinent to the role of governor here at Barrowby CE Primary school. We hope you find it useful and interesting.

We are extremely proud of our school in which pupils, parents, staff and governors all work together to create a very happy, encouraging and challenging environment for our pupils. We strive for excellence in both teaching and learning, so that all our pupils irrespective of gender, race, creed, ability or disability are encouraged to be creative, respectful and independent so that 'all children have the opportunity to fulfil their potential.'

We are proud of our long and distinguished history providing 160 years of education in Barrowby. We greatly value our historical and ongoing connections with All Saints' Church Barrowby, and with our local community; often joining with them to honour our past or celebrate the present. In 2006, 2011 and 2016, our Diocesan Inspection judged that we were an 'outstanding church school' in all areas of the inspection.

We encourage and value our partnership with parents, governors and the local community, in providing the best possible education for our children, in an idyllic environment, with excellent facilities. We value highly the positive relationships within our school community which contribute greatly to our success.

Governing Bodies or Boards provide strategic leadership and accountability in schools. They have four key functions:

- Overseeing the financial performance of the school and making sure its money is well spent:
- Holding the headteacher to account for the educational performance of the school and its pupils;
- Ensuring clarity of vision, ethos and strategic direction; and
- Ensuring the voices of stakeholders are heard.

Our Governors set the aims and objectives for our school and set the policies and targets for achieving those aims and objectives. They monitor and evaluate the progress our school is making and act as a source of challenge and support to the headteacher. In practice, this means:

- Appointing and performance reviewing the head teacher and senior leaders, including making decisions about pay;
- Managing budgets and deciding how money is spent;
- Engaging with pupils, staff, parents and the school community;
- Sitting on panels and making decisions about things like pupil exclusions and staff disciplinary;
- Addressing a range of education issues within the school including disadvantaged pupils, pupils with special needs, staff workload and teacher recruitment; and
- Looking at data and evidence to ask questions and have challenging conversations about the school.

At Barrowby CE Primary School, Governors must be prepared to adopt the 'Nolan Principles of Public Life':

- Selflessness;
- Integrity;
- Objectivity;
- Accountability;
- Openness;
- Honesty; and
- leadership.

#### Governors should also be:

- committed to their role and to young people;
- confident in having courageous conversations;
- curious with an enquiring mind;
- able to challenge the status quo to improve things;
- collaborative to build strong relationships;
- · critical to improve their own work and that of the board; and
- · creative in problem solving and being innovative.

As a Governor you are warmly invited to visit school either individually or as part of the twice-yearly Governor's Monitoring Visits as well as attend the various school or church-based events and functions. Please remember to confirm with the school office if you wish to attend any of these events.

Thank you for volunteering your time to become a Governor at Barrowby Church of England Primary School and welcome to the team.

Yours sincerely

Steven Clark Chair of Governors

Splien

Len Batey Headteacher

#### **Governor Code of Conduct**

#### 1. Attend meetings regularly

- Give the chair/clerk as much notice as possible if you are unable to attend.
- Regular non-attendance at full governing body meetings can lead to eventual disqualification.

#### 2. Prepare for meetings

- By attending induction training and other relevant training courses in order to increase your knowledge and ability to contribute to discussion/decision making.
- By reading all papers sent to you.
- By getting your thoughts together on the things you need to ask about and the things you
  want to say.

#### 3. Be a 'team player'.

- Treat all governors as equal.
- Abide by all the decisions of the Governing Body whether you agree or not.
- Do not disagree in public with the Governing Body after a decision has been taken.
- If you want the Governing Body to reconsider a decision you must ask for it to be put on the agenda.

#### 4. Follow proper procedures in meetings.

- Do not interrupt others when they are speaking.
- All discussion must take place through the chair: signal to the chair when you want to speak, then wait your turn.
- Do not hog the discussion or hark back to matters about which a decision has been taken, this only wastes time and cause bad feeling.

#### 5. Remember that, as an individual you have no authority.

 You can only speak or act on behalf of the Governing Body when it has formally delegated power to you. When you have something that you think needs saying or doing, talk to the Chair, or Headteacher, and then ask for it to be put on the agenda of the next meeting.

#### 6. Remember, 'representative' governors are not delegates.

If you are a parent governor, teacher governor, staff governor, foundation governor or LA governor, you have a responsibility to ensure that the views of your 'constituency' are heard by the Governing Body. However, when it comes to the vote you should vote the way your conscience directs for the good of the school, after you have heard all the arguments.

#### 7. Declare any personal interests you have.

 If the outcome of a decision that the Governing Body is about to take affects you personally, you should declare your interest. If your interest is pecuniary, either directly or indirectly, you should declare your interest and then withdraw from the meeting whilst the matter is discussed. Also, do not use your position as a governor to gain you an advantage or benefit in other situations.

#### 8. Maintain confidentiality.

• The minutes of meetings are not for public view until they have been adopted and signed by the chair. Governors should also be discreet about the detail of discussion that takes place in governors' meetings.

- Governors must ensure that all communications remain confidential. This includes 'hard copy' of documents, and all emails to do with school/governor business.
- Individual governors should never become involved in any complaint or similar matter which may come before the governing body, to avoid being compromised. If approached about a school matter, governors must adhere to the appropriate school policies and refer the other party to those procedures.

#### 9. Be committed.

- Visit the school during the normal working day.
- Assist with special events
- Attend social events
- Seek out and read information about the performance of your school.
- Undertake relevant training.

#### 10. Think about the contributions you make as a governor.

- Are you making the most of the skills you have to offer?
- Are you doing all you can to help get business done?
- Are you trained to do the job effectively?
- Are you supportive of your school?

## **Governor Role Description**

#### 1. Purpose of the role

- 1.1 Ensure clarity of vision, ethos and strategic direction for the school.
- 1.2 Hold the headteacher to account for the educational performance of the school and its pupils, and the performance management of staff.
- 1.3 Oversee the financial performance of the school and make sure its money is well spent.
- 1.4 Attend at least **75%** of meetings, letting the clerk and/or chair of governors/committees know in good time if you are unable to make a meeting.
- 1.5 Prepare for all meetings by reading any papers provided in advance of the meeting, being ready to discuss and challenge those papers' content within the meeting.
- 1.6 Maintain a proactive involvement in the life of the governing body, including joining and contributing to committees and working parties, volunteering to deliver actions agreed as needed during meetings, contributing new ideas and raising issues etc. This ensures all voices and viewpoints can be taken into account.
- 1.7 Put the needs of current and future pupils first when considering issues and making decisions.
- 1.8 Ensure you are able, willing and committed to having courageous conversations with others (e.g. other governors, headteacher or other members of SLT) in the best interests of the school's current and future pupils.
- 1.9 Ensure you do not make decisions alone, and flag quickly to the chair if you believe another governor has made a decision alone.

#### 2. Develop and maintain a good knowledge of the school

- 2.1 Attend at least 1 focussed monitoring visit to school each academic year to observe and monitor specific areas first-hand (for example how the school is implementing policies, how children of different ages and groups are involved and engaged in the day to day life of the school, how the strategic improvements being made are affecting children in the school and to what extent the school's ethos is visible in day to day school life).
- 2.2 Report back your findings from any monitoring visits to the governing body in a timely way.
- 2.3 Ensure you have regular opportunity to review academic attainment and progress data (e.g. *Analyse School Performance* and in-year school produced data) and that you are able to understand the data provided and query and challenge any issues presented by the data with the headteacher.
- 2.4 Ensure you look at external/national/regional performance data in order to compare the school's performance with other similar schools locally and nationally, in order to inform school development needs.
- 2.5 Build and maintain good working relationships with other members of the governing body, the clerk and the school's SLT at all times.
- 2.6 Develop and maintain your knowledge of current national and local education policy.
- 2.7 Undertake regular training as identified as being beneficial to your role and responsibilities and attend 1 Governor Network Meeting per annum to ensure you knowledge as a governor is continually developed and up to date. Thereby allowing you to play a full part

- in governing body matters and, in particular, are able to work effectively in the three key areas of governance (outlined above).
- 2.8 Complete, annually, a skills audit and ensure this is updated with any new relevant skills developed.
- 2.9 Make sure you raise any concerns about governing body performance or the way the governing body (or any part of the governing body) acts in relation to legal requirements or required procedures with the chair, so that the governing body is able to develop its skills, understanding and practice in the ethos of continual development.
- 2.10 Ensure you act within the agreed code of conduct at all times, paying particular regard to maintaining confidentiality in relation to information and issues to which you are party.

## **Governor Training & Development**

## **Child Protection and Safeguarding**

At Barrowby CE Primary School we are committed to Safeguarding and promoting the welfare of all our pupils.

We expect all members of our school community to share in this commitment. We see this as:

"...everyone's responsibility. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is childcentred. This means that they should consider, at all times, what is in the best interests of the child."

#### Keeping Children Safe in Education-September 2023

Safeguarding is about keeping children and young people safe. All those who come into contact with children and families in their everyday work, including Governors have a duty to safeguard and promote the welfare of children.

At Barrowby Church of England Primary School:

The Designated Safeguarding Leads are Mr Len Batey and Miss Louise Sugden.

The Deputy Designated Safeguarding Leads are Mrs Selby, Mrs Ward and Miss Lees.

The Safeguarding Governor is Mrs Sarah Cooley.

If you have any issues about child protection or have concerns regarding the safety or well-being of any child in our school, do not hesitate to contact a member of our Safeguarding Team immediately.

The safety and well-being of the children in our care is of paramount importance.

The purpose of all that we do at Barrowby Church of England Primary School is to strive for excellence, to ensure that we create a happy and secure environment; one in which every child, irrespective of gender or ability achieves their potential; a place where each individual is nurtured so they can experience success and joy in learning.

If you would like to know more about our policy or procedures for Safeguarding and Child Protection, please <u>CLICK HERE</u>. Alternatively, please contact Mr Len Batey our Head teacher and Designated Safeguarding Lead.

Section 175 of the Education Act 2002 places a statutory duty on Local Authorities and governing bodies of maintained schools to have arrangements in place to ensure that they safeguard and promote the welfare of children. Section 157 of the Act places the same responsibilities on Independent Schools and Academies. The governing body is accountable for ensuring that the school has effective policies and procedures in place in accordance with DfE guidance 'Keeping Children Safe in Education' (2019).

This checklist has been designed to support Governing Bodies, Directors and Head teachers to undertake a relatively quick check to ensure that the school is compliant with statutory guidance. Links to further guidance and training are embedded in the electronic copy of the checklist.
