

Barrowby Church of England Primary School

Lock Down Policy

1. Introduction

- 1.1 As part of our Health and Safety policies and procedures the school has a Lock Down Policy. On very rare occasions it may be necessary to seal off the school so that it cannot be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or outside the school in the near vicinity.
- 1.2 A lockdown is implemented when there are serious security risks for the premises due to, for example, nearby chemical spillage, proximity of dangerous dogs, serious weather conditions, a reported incident/civil disturbance in the community or attempted access by unauthorised persons intent on causing harm/damage.

2. Notification of Full Lockdown

- 2.1 Staff will be notified that full lock down procedures are to take place immediately on hearing a continuous blast on the air horn.

3. Procedures

Follow the CLOSE procedure:

Close all windows and doors

Lock up

Out of sight and minimise movement

Stay silent and avoid drawing attention

Endure. Be aware you may be in lock down for some time

- 3.1 When staff hear the Lock Down signal any children outside the school building should be brought inside as quickly as possible. Staff should then lock the school's classrooms, offices, connecting doors and all outside doors where it is possible without endangering themselves.
- 3.3 At the given signal the children remain in the room they are in and the staff will ensure the windows and doors are closed/locked and screened where possible and children are positioned away from possible sightlines from external windows/doors. Lights, Smart boards and computer monitors to be turned off. Mobile phones are put on silent mode.
- 3.4. If practicable staff should notify the main office by mobile phone that they have entered lock down and identify those children not accounted for.
- 3.5 **NO ONE SHOULD MOVE ABOUT THE SCHOOL**
- 3.6. Staff to support children in keeping calm and quiet.
- 3.7 Staff to remain in lock down positions until informed by key staff e.g. Senior Leadership Team or Office Staff in person that there is an all clear.

- 3.8 As soon as possible after the lock down teachers return to their classrooms and conduct a register and notify the school office immediately of any pupils not accounted for.

4. Staff Roles

- 4.1 School Business Manager to ensure that office staff go into the Pastoral room, lock the door and call the police if necessary.
- 4.2 Headteacher or site/office staff to lock the entrances/exits and close windows that are not in classrooms.
- 4.3 Individual teachers/ TAs lock/close classroom door(s) and windows and ensure that children are kept quiet and calm and out of sight wherever possible. Nearest adult to check exit doors.

5. Communication with Parents

- 5.1 If necessary parents will be notified as soon as it is practical to do so via ParentmailPMX.
- 5.2 Parents will be told: 'The school is in a full lockdown situation. During this period the phone and entrances will be un-manned, external doors locked and nobody allowed in or out.' Depending on the type and severity of the incident, parents may be asked NOT to collect their children from school as it may put them and their child at risk. Pupils will not be released to parents during a lock down. Parents will be asked not to call school as this may tie up emergency lines. If the end of the day is extended due to the lock down, parents will be notified and will receive information about the time and place pupils can be picked up from office staff or emergency services.
- 5.3 A letter to parents will be sent home as soon as possible following any serious incident, to inform parents of context of lockdown and to encourage parents to reinforce with their children the importance of following instructions from adults in these very rare circumstances.

6. Partial Lockdown

- 6.1 This may be as a result of a reported incident / civil disturbance in the local community with the potential to pose a risk to staff and pupils in the school. It may also be as a result of a warning being received regarding the risk of air pollution, etc.
- 6.2 Alert to staff: 'Partial lockdown' by sounding short bursts on the air horn.
- 6.3 All outside activity to cease immediately, pupils and staff return to building.
- 6.4 All staff and pupils remain in building and external doors and windows locked.
- 6.5 Movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff. All situations are different; once all staff and pupils are safely inside, senior staff will conduct an on-going and dynamic risk assessment based on advice from the appropriate body e.g., Emergency Services, Local Authority. This can then be communicated to staff and pupils.

6.6 'Partial lockdown' is a precautionary measure but puts the school in a state of readiness (whilst retaining a degree of normality) should the situation escalate.

7. Lock Down Drills

7.1 Lock down practices will take place at least once a year to ensure everyone knows exactly what to do in such a situation. Monitoring of practices will take place and staff debriefed for positive reinforcement or to identify required improvements.

8. Lock Down Policy Review

This policy is reviewed by the Head teacher, staff and Governors in accordance with Barrowby School's Policy and Review Cycle for approval by the Full Governing Body, every 3 years.
