4. Review of last terms events and key learnings - Christmas assembly/nativity - Christmas fair	<p>Christmas assembly and nativity went well and made £254.25 mainly from photographs</p> <p>Christmas fair Fabulous attendance but the space was too small. Should of overflowed in to a couple of classrooms</p> <p>Bad stall layout - not much room for people to walk around</p> <p>Raffle ticket stall needs to be away from main entrance to prevent the long queues. Wasn't fair that people were waiting outside in the cold for 50 minutes.</p> <p>Maybe set up a café area in Mrs Banfields classroom so people can get a coffee and then keeps people from clogging up the hallway</p> <p>Why isn't it every year? It would be very well received if held annually and a good income for the school.</p> <p>KS2 Disco KS2 Disco was a huge success 120 children who loved it Disco price to increase to £150 next year so we need to decide if we wish to use the same person</p>
