## Barrowby Church of England Primary School

**Our School's Vision:** As a Church school family, we strive for excellence, ensuring that we all feel happy, valued and loved. We aim to provide an exciting, innovative, and relevant curriculum that enables all to 'shine' and develop as creative, respectful and independent citizens. We seek to promote equal opportunities for all so that each individual is encouraged to achieve their full potential and become lifelong learners who can make a positive contribution to society.

### Newsletter 10th May 2024

*Let everything that has breath praise the Lord.*

Psalm 150:6

Dear Parents/Carers

Today, as I write this something truly lovely has happened. I thought today's Collective Worship was being presented by the Fundraising Committee so welcomed the school as normal and handed over to them.

To be completely surprised when the children then start speaking about me, about my 20 years service. It was wonderful to hear the whole school sing Let Your Little Light Shine, to adapted words and to receive such lovely comments from the children, staff and Governors that were present.

Like we all do, we go to work. I'm just fortunate. I absolutely love my job and love working with the whole school family. I would just like to thank the staff for organising the celebration, for the children for just being them, to the Governors for their continued support and to the parents. Thank you for working with me and the school, I firmly believe we are stronger when we work together.

As always I hope you enjoy reading this week's Newsletter and learning a little bit more about school.

### Events In School

#### Year 4 visit to Loundthorpe Woods

On Wednesday 8th May, our Year 4 children went on an exciting adventure to Loundthorpe Woods, as part of the Woodland Trust's 'Reconnecting Grantham Project'. Their aim is to show the future generations the beauty they have, right on their doorstep for absolutely free!

We were so lucky with the weather, the sun shone down as we explored the vast woodlands. We began our walk exploring the outdoor classroom where we took part in some pond dipping to explore the wildlife living there. We went on a 2 mile walk around the woodlands, finding deer tracks and looking for other signs of life by hunting for animal droppings!

We walked all the way up to Belmont Tower where we enjoyed the views and noticed Belton House and Belton Village, which we explored in our History topic in the Spring Term. Following a lovely picnic outside in the sunshine we went trekking into the woods and enjoyed den building and tree climbing before heading back to school.

## Parental Reminders

### Upcoming Year 6 SATS

On the week beginning Monday 13<sup>th</sup> May our Year 6 children will be sitting their KS2 SATs. Our children have worked incredibly hard this year with Miss Lees and Mrs Kay and we can't wait for them to show off everything they have learnt! We ask that all children are in school for 8:45am to allow for some last minute reminders. The children are also very excited for their end of SATs BBQ on the Friday.
