Barrowby Church of England Primary School Vision

At Barrowby Church of England Primary School we believe that:

As a Church school family, we strive for excellence, ensuring that we all feel happy, valued and loved. We aim to provide an exciting, innovative, and relevant curriculum that enables all to 'shine' and develop as creative, respectful and independent citizens. We seek to promote equal opportunities for all so that each individual is encouraged to achieve their full potential and become lifelong learners who can make a positive contribution to society.

Make your light shine, so that others will see the good that you do and will praise your Father in heaven. **Matthew 5:16**

Arts Vision 2023-24

At Barrowby CE Primary School, we are committed to encouraging all our pupils to lead creative lives. This is achieved through an extensive program of activities, available both within and outside of our curriculum and within the wider community which enable our children to:

- foster a love of arts;
- develop specific creative skills; as well as
- teaching them about the importance of cooperation and team-work.

Arts Summary 2023-24

As a school, we continue to encourage our pupils to lead creative lives and continue to offer a range of opportunities within our arts provision for them to participate in. This year, we have had another successful year celebrating the arts at our school. We have enjoyed many performances by the children that have been presented to our school family on various occasions. This year we enjoyed some great Arts performances together with our school family at events such as our Christmas Church Service whereby we enjoyed a beautiful choir performance by our Year 5 and 6 children as well as two clarinet pieces that our Year 4 children explored as part of their whole class music tuition.

We continue to be grateful for our excellent links to local schools such as Walton Academy, who have invited our children to take part in some fantastic events in the past. This year our children have taken part in an exciting 'Create Day' in association with The Royal Opera House which incorporated dance, performance and art. It was a privilege to be involved so heavily in this event, our Year 5 children were one of the few schools in Grantham to participate in the event at a live venue, whilst the rest of Key Stage Two took part in school. Furthermore Barrowby C of E Primary School were the only school to be involved in some pre-filming for the event, with our children also being interviewed by BBC East Midlands, discussing the impact and importance of the Arts and expressing themselves.

Artsmark

On Thursday 7th February 2019, our school was notified that our Artsmark application had been screened and validated and that we, as a school have been awarded the Gold Artsmark.

In 2014, we first gained the Artsmark award which celebrated all that we do as a school in both Performing and Visual Arts. In 2018, The Arts Lead and Mr Batey began the process of re-evaluating our

school's provision and its impact on our pupils within the Arts. The Case Study was re-submitted: with Bronze, Silver, Gold or Platinum available.

We are delighted that our school has been awarded the Gold Artsmark which recognises our school's commitment to the arts. Mrs Ward, our arts lead will continue to evaluate our arts provision and ensure we are providing children with ample opportunities to express themselves creatively and in the next academic year will be continuing the process of applying for Artsmark again, with our sights set on achieving the Platinum award.

At Barrowby CE Primary School, we continually strive to ensure that our Arts provision provides a range of stimulating experiences which enrich our pupils' lives, covering: Performance Arts: Music, Drama & Dance; Visual Arts & Digital Media.
