

## Barrowby Church of England Primary School

October 2024

Dear Parents/Carers,

As you are aware, our school has just completed a two day OFSTED Inspection. The inspection process covers 5 areas within a school.

These are:

- Quality of Education
- Behaviour and Attitudes of Pupils
- Personal Development
- Quality of the Early Years; and
- Leadership and Management

Firstly, I would like to thank all members of my team for their continued commitment, enthusiasm and dedication to this school. I would like to thank the children for all that they do and are, indeed this morning I'm planning on popping into Collective Worship to thank them and let them know that our 'visitors' have now finished visiting the school.

I would also like to thank the Governors for their contribution in ensuring Barrowby CE Primary School's strategic direction and vision are lived out as well as the Friend's of Barrowby School for their work with fundraising efforts which enable us to provide additional resources and facilities for the pupils to use.

Finally, I would like to thank you. Each and every parent for their trust, support and understanding at this time; for the kind words of encouragement and support which we received. It means a lot.

Unfortunately, at this time, we are unable to share the outcome of the inspection and must wait for the final report to be completed. But suffice to say we are all pleased with the result.

So until that time, when we can share and celebrate all that we are and all that we do, we will continue to work together, as a school family, for the benefit of all.

I hope to see some of you tomorrow at our Family Games Night.

Yours sincerely

Mr L Batey  
Head teacher
