Pupil Premium 2019 – 2020 Introduction

At Barrowby CE Primary School, we want all our children to:

Make your light shine, so that others will see the good that you do and will praise your Father in heaven. Matthew 5: 16

The Pupil, Service and Premium Plus Premiums are additional funds provided to schools to help address the current underlying inequalities between children.

Pupil Premium

The Pupil Premium (FSM) is to help schools raise the attainment of disadvantaged pupils and close the gap with their peers.

Service Premium (Service Families)

This funding is to be used to support their pastoral care.

Pupil Premium Plus (Looked After Child)

The LAC Pupil Premium is to ensure that pupils are not disadvantaged, from their starting points, in relation with their peers.

‘From April 2014, schools in England can receive the LAC Pupil Premium for children adopted from care, or who left care under a Special Guardianship Order on or after 30 December 2005. Schools can also claim the Pupil Premium for children who left care under a Residence Order on or after 14 October 1991.

It is paid to schools in respect of disadvantaged pupils in Reception to Year 11. The Government has extended the coverage of the Pupil Premium in recognition of the traumatic experiences many adopted children have endured in their early lives and a realisation that their needs do not change overnight.’ PAC website.

In most cases, the funding is clearly identifiable and is left to the discretion of the school to decide how best to use this funding, to help to narrow the gap for individuals.

From September 2012, schools were required to publish online information describing how they have used this funding, so that parents and other stakeholders are made fully aware of how the Pupil Premium has impacted on the attainment of pupils.
