

Barrowby Church of England Primary School

January 2025

Dear Parent/s/Carers

Indian Experience Day

We are pleased to inform you that we have Sunita Patel from the Indian Experience coming into school on Tuesday 14th January 2025 to do workshops with children across the school.

Sunita delivers Cultural & Religious Workshops to schools throughout Lincolnshire and the surrounding areas, covering Indian & Hindu customs and traditions. The resources that Sunita brings with her allow her to provide an exciting and rewarding day.

The aim of the workshop is to provide the children with a day full of activities which will have them immersed in the culture, festivals and traditions of India and Hinduism.

Sunita can show us how she prays, teach us exciting Bollywood style dances and help us to create beautiful art work which we can keep and display. Listen to her inspiring and thought provoking stories of Hinduism and experience first-hand, tales of what it is like to live in India and what life is like for an Indian person living in England today.

This year, I am pleased to tell you that school will be subsidising the cost of the workshop and will not be asking for a voluntary contribution from parents.

Thank you for your continued support and I am sure the children will have a fantastic day immersing themselves in this wonderful culture.

Yours Sincerely

Mr L Batey

Headteacher
