Pupil Premium Report 2016-2017

Bikeability course-Spring 2015

Barrowby Church of England Primary School

Pupil Premium 2016-2017

Introduction

The Pupil, Service and Premium Plus Premiums are additional funds provided to schools to help address the current underlying inequalities between children eligible for free school meals (FSM) and their peers.

Pupil Premium

The Pupil Premium (FSM) is to help schools raise the attainment of disadvantaged pupils and close the gap with their peers.

Service Premium (Service Families)

This funding is to be used to support their pastoral care.

Pupil Premium Plus (Looked After Child)

The LAC Pupil Premium is to ensure that pupils are not disadvantaged, from their starting points, in relation with their peers.

'From April 2014, schools in England can receive the LAC Pupil Premium for children adopted from care, or who left care under a Special Guardianship Order on or after 30 December 2005. Schools can also claim the Pupil Premium for children who left care under a Residence Order on or after 14 October 1991.

It is paid to schools in respect of disadvantaged pupils in Reception to Year 11. The Government has extended the coverage of the Pupil Premium in recognition of the traumatic experiences many adopted children have endured in their early lives and a realisation that their needs do not change overnight.' PAC website.

In most cases, the funding is clearly identifiable and is left to the discretion of the school to decide how best to use this funding, to help to narrow the gap for individuals. From September 2012, schools were required to publish online information describing how they have used this funding, so that parents and other stakeholders are made fully aware of how the Pupil Premium has impacted on the attainment of pupils.

What does this mean for Barrowby Church of England Primary School?

At Barrowby CE Primary School, we want all our children to:

*Make your light shine, so that others will see the good that you do and
will praise your Father in heaven. Matthew 5: 16*

Barriers to Future Development

In School Barriers	
	Pupils attainment is lower in reading, phonics, grammar & punctuation, writing and maths
	Some pupils' attitudes to learning often limit the progress they make. Some pupils have lower aspirations, are less intrinsically motivated and more prone to give in or be less focussed when learning is challenging.
External Barriers	
	Some disadvantaged pupils do not read at home
	Some disadvantaged pupils have or are experiencing difficult family relationships/issues which affect their emotional wellbeing and impact on learning.
