

Barrowby Church of England Primary School

January 2025

Dear Parents/Carers

As a part of your child's education at Barrowby CE Primary school we aim to promote safer use of computers, the internet and the ever-growing technological world we now live in. As part of our computing curriculum, we envisage to support our children with the knowledge and tools to keep them safe from threats and dangers of the online world.

These risks are grouped into four categories:

1. Conduct: children's behaviour may put them at risk
2. Content: access to inappropriate or unreliable content may put children at risk
3. Contact: interaction with unsuitable, unpleasant or dangerous people may put children at risk
4. Commercialism: children's use of platforms with hidden costs may put them at risk

Talking to your child can be a daunting prospect, but it's important. Your children need to know they can talk to you if something does go wrong, when working or socialising online. It is because of these challenges that we would like to invite you and your child to attend an E-Safety workshop with Mr Caton. The presentation will be delivered in school on **Tuesday 11th February 2025 from 5.00pm - 6.00pm.**

We hope you will be able to join us from your home to view the presentation. It will also give you the opportunity to ask any questions you may have or to voice any concerns around e-safety, use of social media or support you can provide at home.

Please could you kindly complete the form provided by Wednesday 5th February 2025. Once we know who would like to attend we will forward the link and joining instructions prior to the event.

Yours Sincerely

Mr L Batey
Headteacher

E-Safety Parent Workshop - Tuesday 11th February 2025

Please tick the appropriate box:

I/we will be attending the E-safety workshop on Tuesday 11th February 2025 from 5.00 - 6.00pm.
