### Easter Holidays Revision

Dear Parents/Carers of Year 6 Children,

On the last week of term your child will be coming home with an 'Easter Revision Pack' composing of their Maths, Reading and English homework books that they have been completing every week. In addition to this, there is a suggested revision timetable included, written by Miss Lees. This revision timetable will also be included in this letter, and shouldn't take more than 30 minutes per day. The children are expected to complete the pages suggested in the revision timetable over the Easter holidays. The children should be able to complete these tasks independently, but there may be some occasions where adult support is required. The revision books are expected to be returned to school with the children on Wednesday 23rd April.

The revision pack will support them in their studies ready for the Year 6 SATs which are taking place during the week beginning the 12th May 2025, and their transition to secondary school.

As always, we really appreciate your support, and hope that the children find these revision packs helpful.

Yours sincerely

Mr Len Batey  
Headteacher

Here is a proposed revision timetable for the Easter holidays. We have included some reading and maths. We expect each subject to take about 10-15 minutes per day. Please try to stick to the pages we have selected, as you will be using these workbooks when you come back to school after Easter. If you do wish to practice any additional questions from the book please do so on paper, not in the books. You will need to bring these books back into school after the holidays. If you get stuck on any of the maths, please use the Maths revision keyring to support!

	Monday 7th	Tuesday 8th	Wednesday 9th	Thursday 10th	Friday 11th	Monday 14th	Tuesday 15th	Wednesday 16th	Thursday 17th	Friday 18th
