Bee Day

Dear Parents/Carers,

We are buzzing with excitement to let you know about a special event coming up for our Reception and Key Stage 1 children — Bee Day!

On Friday 27th June, the children will take part in a fun and educational day all about bees. Throughout the day, they will:

- Learn fascinating facts about bees and their importance to our environment
- Take part in bee-themed activities and crafts

Meet our very own Bee Keeper, Mrs Walton, who will be sharing her knowledge and passion for bees with the children.

This is a wonderful opportunity for the children to explore nature, ask questions, and enjoy hands-on learning in a safe and engaging way.

We kindly ask that children come to school wearing yellow or black clothing (or both!) to help us create a real buzz around the day. Please ensure they are dressed comfortably and appropriately for the weather, as we will be outside.

If you have any questions or would like to know more, feel free to get in touch with your child's class teacher.

Thank you for your continued support — we can't wait to celebrate Bee Day together!

Yours Sincerely

Mr L Batey

Head teacher
