### Individual Healthcare Plan Review

Dear Parents/Carers,

According to school records, your child has a medical condition, allergy and/or medication in school.

To ensure that we have all of the relevant information to support your child in school, we would like you to complete an Individual Healthcare Plan for your child. Individual Healthcare Plans are developed in partnership between the school, parents, and the relevant healthcare professional who can advise on a child's case.

Please could complete the form provided <https://forms.cloud.microsoft/e/NcGPWtyraB> by **Friday 19th September 2025**, the healthcare plan will then be reviewed by your class teacher.

If there are any specific details your wish to discuss with your child's teacher, please feel free to contact the school office on 01476 566121 where you will be able to make a mutually convenient telephone appointment with your child's class teacher.

Yours sincerely

Mr L Batey
