Introduction – Our Church School Vision

As a Church school family, we strive for excellence, ensuring that we all feel happy, valued and loved. We aim to provide an exciting, innovative, and relevant curriculum that enables all to 'shine' and develop as creative, respectful and independent citizens. We seek to promote equal opportunities for all so that each individual is encouraged to achieve their full potential and become lifelong learners who can make a positive contribution to society.

Our School

Barrowby Church of England Primary School is a large, average sized co-educational school situated within a large semi-rural village, adjacent to All Saints' parish church.

The school has eight classes, two mixed age Reception/Year 1 classes, two mixed age Year 1/Year 2 classes, a Year 3 class, a Year 4 class, a Year 5 class and a Year 6 class.

It is anticipated that numbers on roll will remain stable. Governors continue to explore various options to secure the school's future.

There are eight full time teachers, including the Headteacher, and two part-time teachers. Non-teaching/support staff include: 2 HLTA's, 8 Teaching Assistants, 1 SEND TA Apprentice, 1 Sport's Apprentice, 8 Midday Supervisors, a School Business Manager, 2 x Administrators, a Caretaker, 1 part-time Cleaner and three part-time Wrap Around Care Supervisors.

The school accommodation has been significantly developed over the previous years. All other accommodation and facilities are continually refurbished and maintained to a high standard. This includes:

- An outdoor classroom including a 'Forest School' area;
- School playground with access to: playground, adventure playgrounds, outdoor gym equipment, Reading Den, Hydration Station and various playground markings and activity boxes;
- School field with access to: Wild-life areas, Craft Shack and Earth Loom, Tree House, Friendship Bench, Trim Trail, Pond, Story Circle, and Camp Fire area.
- Garden areas including: a sensory garden, the Cabbage Patch Garden, Jubilee Garden and Eco-Greenhouse;

Strategic Plan-3 years

Achievement:

- Raise attainment in Reading, Writing, and Maths so that more pupils exceed age-related expectations by the end of EYFS, Year 2, Year 4, and Year 6
- Ensure all pupils, including those with SEND, make good or better progress from their starting points across all subjects
- Use robust assessment and tracking systems to identify gaps, inform teaching, and implement timely interventions

Behaviour and Attendance:

- Maintain high standards of pupil behaviour, ensuring respect, self-control, and positive conduct are consistently demonstrated
- Reinforce school values across the school family to promote a culture of creativity, respect, and independence
- Celebrate positive behaviour and attitudes through consistent recognition and reward
- Monitor and evaluate the impact of extended services and enrichment activities on pupil behaviour and engagement and in promoting healthy lifestyles
- Ensure all stakeholders are highly positive about the behaviour and safety of pupils in school
- Continue to review and refine current attendance procedures
- Monitor attendance rigorously and implement early intervention strategies to address persistent absence
- Work closely with families to promote the importance of regular attendance and punctuality
- Celebrate good attendance and provide support for pupils with barriers to attendance

Curriculum and Teaching:

- Ensure the curriculum is broad, balanced, and ambitious
- Ensure the school's curriculum intent, implementation are embedded securely and consistently across the school
- Embed global and international perspectives, including French as a modern foreign language
- Further evaluate and improve outdoor learning opportunities across the school curriculum to develop children's skills in problem solving, team building, communication and cooperative skills
- Ensure curriculum planning supports progression in knowledge and skills across all subjects
- Prioritise reading across the curriculum to develop fluency, comprehension, and a love of reading
- Ensure that teaching and learning opportunities:
 1. are high-quality experiences so that all pupils are motivated, cooperate well and are eager to join in
 2. promote learning strategies that encourage pupil activity/participation and develop their creativity, respect and independence

- Use monitoring strategies e.g. coaching and peer support to refine teaching practices
- Ensure teaching is adaptive and inclusive, meeting the needs of all learners
- Provide high-quality CPD to ensure teaching is consistently strong and responsive to pupil needs
- Embed effective use of AFL strategies to support pupil progress e.g.:
 1. The use of AFL strategies including use of questioning, discussion and Talking Partners to support and engage pupils in their learning
 2. Use of active feedback i.e. teachers/teaching assistants will engage with pupils at the point of learning so that they all understand how to improve their own learning
 3. peer and self-evaluation, pupils will be encouraged to understand and contribute to their targets/next step
- Continue to sharpen the level of challenge so that at the end of EYFS, Year2, 4 and 6 more pupils attain standards in Reading, Writing & Maths which are well above age-related expectations and those found locally and nationally

Early Years

- Raise attainment in Reading, Writing, and Maths so that more pupils exceed age-related expectations by the end of EYFS.
- Continue to sharpen the level of challenge so that at the end of EYFS more pupils attain standards in Reading, Writing & Maths which are well above age-related expectations and those found locally and nationally.
- To further enhance outdoor provision by reviewing and purchasing additional storage solutions to enable wider selection of resources to be used/stored externally.

Inclusion

- Ensure all pupils, including those with SEND, EAL, and disadvantaged backgrounds, access a high-quality, inclusive education and make good or better progress relative to their starting points.
- Use data and pupil voice to identify and remove barriers to learning and participation.
- Provide targeted support and interventions that are regularly reviewed for impact.
- Promote a culture of belonging and high expectations for all.
- Ensure curriculum planning supports progression in knowledge and skills across all subjects for all pupils, including those with SEND, EAL, and disadvantaged backgrounds

Leadership and Governance

- Share vision, aims, values and priorities with all stakeholders ensuring they understand the whole school Development/Improvement Plan and their own role in supporting and achieving good or better progress and achievement for all of our pupils
- Improve school leadership capacity e.g. SLT, SENCO, SLT, Subject Leaders, HLTA to sustain improvement through high quality targeted CPD which matches School Development Priorities and individual needs

- Ensure all leaders share and drive a clear, ambitious vision for school improvement and pupil outcomes
- Strengthen leadership at all levels through targeted CPD, including for new staff, middle leaders, and governors
- Maintain effective governance through:
 1. strategic involvement
 2. training: enhance Governors' experience and skills to utilise these for the benefit of school improvement e.g. Health and Safety, Fire Warden Training, ICT and financial guidance/expertise
 3. regular evaluation of impact
- Ensure all health and safety procedures are robust and regularly reviewed
- Foster collaborative partnerships to enhance provision and share best practices for the benefit of pupils and staff

Personal Development and Wellbeing

- Promote staff wellbeing and manage workload through supportive leadership and open communication.
- Ensure the school promotes the extensive personal development of all pupils through a range of wider and Extra-Curricular opportunities.
- Develop understanding of British Values, Protected Characteristics and Equal Opportunities through the curriculum and school culture to prepare pupils for life in modern Britain effectively.
- Strengthen pastoral systems to support emotional wellbeing, resilience, and mental health support available to all.
- Provide opportunities for pupil leadership and pupil voice.

Safeguarding

1. Maintain a strong safeguarding culture where all staff are trained, vigilant, and confident in procedures.
2. Ensure all safeguarding policies and documentation are up to date and effectively implemented.
3. Conduct regular audits and reviews of safeguarding practices, including safer recruitment and online safety.
4. Engage parents and carers in safeguarding education and awareness.

LB agreed expenditure.</p> <p>March 2026 - Resources ordered and arrived into school. The storage sheds have been resourced with high quality resources. All resources that have arrived so far have been stored in clearly labelled boxes for ease. IMPACT: Pupils benefit from high-quality, well-maintained equipment, supporting richer, more engaging learning experiences. Improved organisation promotes greater independence, particularly in continuous provision areas, allowing pupils to select and return resources confidently.</p> <p>March 2026 - NS and SB discussed 'Mood board' for upper area mud kitchen in the Outdoor Classroom. This shared the vision for the area and how to further enhance the provision. IMPACT: The creation and discussion of a shared mood board has provided a clear, unified vision for the development of the upper mud-kitchen area in the Outdoor Classroom. A clear direction will help ensure that future improvements are purposeful, well-matched to curriculum needs, and supportive of rich play-based learning.</p> <p>3rd May 2026 - Meeting with provider to share vision for the mud kitchen at the top of the Outdoor classroom. Drawing outcomes reflect age-appropriate skills and creativity.	<p>Summer 2025 Data Analysis completed</p> <p>IMPACT: Children are performing in line with standards achieved last year. The curriculum is ambitious, diverse, multi-cultural and progressive which the children are thriving in.</p> <p>Autumn 2025/26 Data Analysis completed</p> <p>IMPACT: Children are performing in line with standards achieved last year. A work Scrutiny will follow to confirm results.</p> <p>Sketch Book samples (2 EXS and 1 'first 20') taken from each year group.</p> <p>IMPACT: Scrutiny shows children are engaging well with curriculum and are building their skills progressively towards final pieces. There is clear evidence that staff are following the curriculum stepping stones, and many pupils are producing thoughtful and creative outcomes that reflect their learning. Across classes, children demonstrate an understanding of the themes explored, and some final pieces</p>

								<p>show real care, individuality, and artistic ambition.</p> <p>Next Step: To further strengthen outcomes, the next step is to ensure that all pupils are consistently challenged to work at the highest standard of which they are capable. Use Teacher meetings to support staff in elevating pupils' artistic expectations, encouraging deeper exploration, stronger observational drawing, and more ambitious development of ideas. Children will produce work that reflects their full potential.</p> <p>I have gathered a representative portfolio of artwork from EYFS through to Year 6; Photographing high-quality samples from each year; organising them into a structured digital collection on the school server.</p> <p>The portfolio captures a broad range of skills, media, and curriculum coverage, providing a clear visual record of progression in Art and Design across the school. This process has also supported monitoring of curriculum implementation and has begun to establish a consistent approach to celebrating pupils' creative outcomes.</p> <p>IMPACT: The curated portfolio has strengthened subject monitoring by offering clear evidence of pupils' artistic development and the effectiveness of teaching across year groups. Staff now have a shared reference point for understanding expected standards, supporting moderation and planning. The visibility of high-quality pupil work has also raised the profile of Art and Design within the school, contributing to improved consistency, higher expectations, and greater pride in pupils' creative achievements.</p> <p>Work Scrutiny of 'First 20%'. Total £145.45</p> <p>IMPACT: Art lessons are consistently well-resourced, enabling high-quality outcomes.</p> <p>Teacher Meeting: discussed new resources and this year's expectations of respecting the equipment, ensuring children/staff clean resources before returning to art cupboard</p> <p>IMPACT: Staff will promote respect when using and cleaning equipment, as a result, children will have high-quality experiences.</p> <p>Art Order placed: £104.95 PVA glue, paint pots, table covers and foam printing dabbers.</p> <p>IMPACT: Art lessons are consistently well-resourced, enabling high-quality outcomes.</p> <p>March 26: Pupil Voice Questionnaire Infant classes: Pupil voice shows that children across the infants greatly enjoy Art and feel happy, confident and inspired during lessons. They value using a wide range of materials and can talk clearly about their creative choices. A small number identify specific drawing skills as tricky, providing helpful next steps for teaching.</p>

								<p>IMPACT: The results indicate that the Art curriculum is successfully building creativity, confidence and positive attitudes towards artistic learning. Pupils are developing strong early skills in drawing, painting and colour mixing, and can increasingly explain their ideas. Their responses show that Art provision is engaging, accessible and fostering a positive artistic identity.</p> <p>Teachers reviewed high-quality sketchbooks across the year groups and identified strong evidence of skill progression and creative development. This collaborative reflection highlighted consistent strengths and also surfaced areas where more precise feedback could further support pupils' artistic growth. To support this, vocabulary guidance was shared with staff to enhance the language used when discussing techniques, intentions and next steps.</p> <p>IMPACT: This has strengthened teacher confidence and consistency in providing high-quality feedback, helping pupils better understand how to refine and extend their artwork. The sketchbook review has reinforced expectations for progression and allowed teachers to recognise effective practice already embedded across the school. The targeted vocabulary support is already enriching classroom dialogue, raising aspiration and promoting more ambitious artistic outcomes for all children.</p> <p>Re-organised the Art cupboard and replaced equipment into labelled shelves.</p> <p>IMPACT: Staff will respect the equipment, ensuring resources are clean and ready to use and, as a result, children will have high-quality experiences that are well resourced and ready to use.</p>

Ensure curriculum planning supports progression in knowledge and skills across all subjects.	SB	LB/SLT	To embed Royal Ballet and Royal Opera House dance training and objectives into the school's Stepping Stones curriculum document, enriching the dance provision and supporting progression in movement, expression, and performance skills. Review and map Royal Ballet and Royal Opera House dance objectives against existing PE and Stepping Stones curriculum content. Integrate appropriate objectives and vocabulary into planning documents for each key stage. Provide staff with training and resources to deliver the new content confidently and effectively.	End of each term.	Govs	N/A	Dance units in the curriculum reflect Royal Ballet and Opera House objectives and progression. Staff report increased confidence in delivering high-quality dance lessons. Pupils demonstrate improved movement, coordination, and expressive skills. Positive feedback from pupils and staff on the enriched dance provision.	Assessed use of real PE online platform with majority of staff using skills videos during PE lessons to support progress of transferable skills, contacted low use staff to offer support in using the videos. IMPACT: Using the realPE Jasmine platform and skills videos, pupils can identify their current skill level, understand progression, and see clear next steps. This visual and structured approach supports skill development across the PE curriculum and enables children to transfer these skills confidently into a range of sports. Evaluated and amended, where necessary, our Dance provision, ensuring it follows the ambitious RBOH objectives for Teachers to follow (as a result of our Teacher Training). IMPACT: Our dance provision has been carefully evaluated and strengthened within the PE curriculum, ensuring an ambitious and well-sequenced progression of skills across the school. By integrating the Royal Ballet and Opera House Create Dance programme, we have enhanced the quality and breadth of our offer, providing pupils with rich and engaging learning experiences. External validation from the RBO House - including a request to support another school's provision, this demonstrates the strength and effectiveness of our approach. As a result, all pupils benefit from a high-quality dance curriculum that promotes creativity, confidence and physical development.
