

Barrowby Church of England Primary School

June 2026

Dear Parent/Carer,

As part of our History curriculum this term, the children in the EYFS and KS1 have been learning about the Great Fire of London. They have enjoyed discovering how this significant event shaped history and comparing how fires were tackled in 1666 with the way modern firefighters protect our communities today.

To bring this learning to life, I am delighted to share that we have arranged for a fire engine and crew to visit our school on Monday 13th July. During the visit, the children will have the opportunity to learn about the important role firefighters play, explore the fire engine and even have a chance to sit inside it. This exciting, hands-on experience will help the children make meaningful links between their history learning and the modern day emergency services.

We are pleased to let you know that there will be **no cost for this experience.**

We are grateful to our local fire and rescue service for giving their time to support our children's learning, and we are sure it will be a memorable and enjoyable experience for everyone.

Thank you for your continued support.

Yours Sincerely

Mr L Batey
Head teacher
