

## Together at Christmas Time

Standing together as Christmas  
is near,  
The waiting is finally over.  
Now that the time for the snow-  
flakes is here,  
We can all sing to each other.  
(twice)

Now that Christmas is finally  
here.  
Time to reflect on the year.  
Finding hope at this Christmas  
time.  
Stand together at Christmas  
time.

*So ring the bells and sing to-  
gether at Christmas time.  
So ring the bells and sing to-  
gether at Christmas time.  
(Christmas time, Christmas time)*

Presents are wrapped, Christmas  
cards on the wall,  
Music and dancing around us.  
Twinkling lights as the snow  
starts to fall,  
Tinsel and trees and the Santas!

Now that Christmas is finally  
here.  
Time to reflect on the year.  
Finding hope at this Christmas  
time.

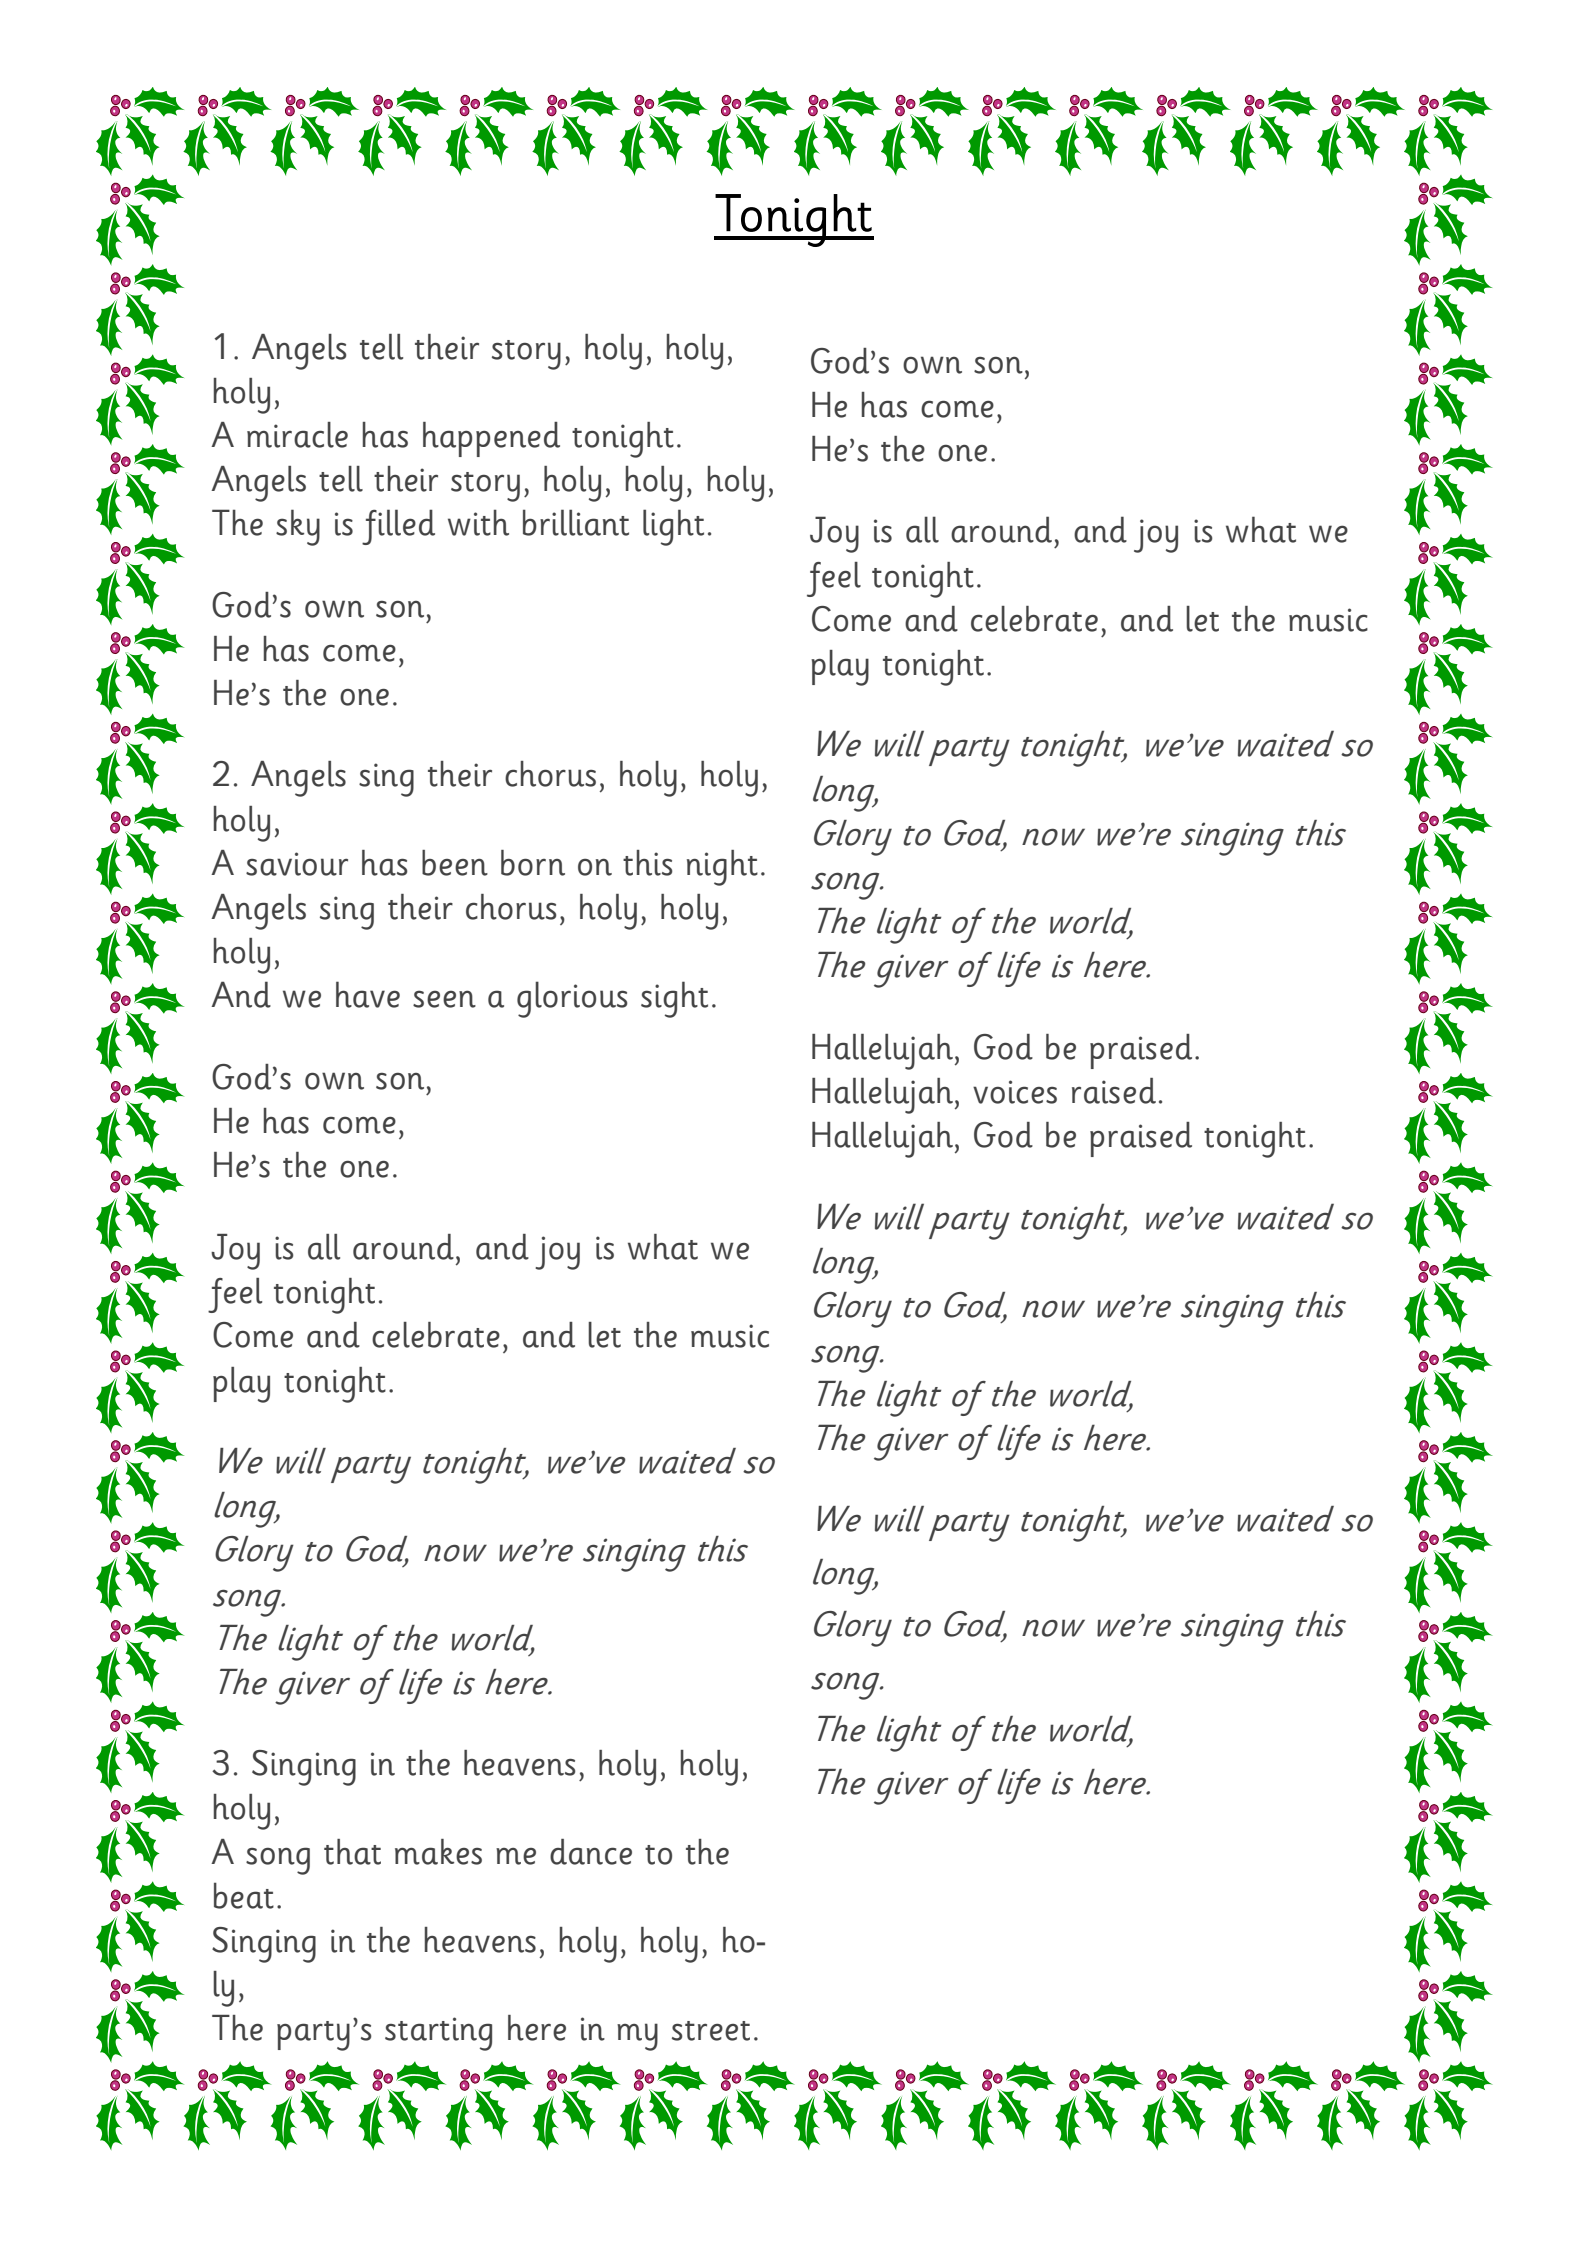

Stand together at Christmas  
time.

*So ring the bells and sing to-  
gether at Christmas time.  
So ring the bells and sing to-  
gether at Christmas time.  
(Christmas time, Christmas time)*

Hear the sounds of Christmas  
chimes,  
Now we know it's Christmas  
time.  
Sing together at Christmas time,  
Sing together at Christmas time.  
Sing together at Christmas time,  
Sing together at Christmas time.

*So ring the bells and sing to-  
gether at Christmas time.  
So ring the bells and sing to-  
gether at Christmas time.*

(Solo) Standing together as  
Christmas is near. We can all  
sing to each other.

## Tonight

1. Angels tell their story, holy, holy,  
holy,  
A miracle has happened tonight.  
Angels tell their story, holy, holy, holy,  
The sky is filled with brilliant light.

God's own son,  
He has come,  
He's the one.

2. Angels sing their chorus, holy, holy,  
holy,  
A saviour has been born on this night.  
Angels sing their chorus, holy, holy,  
holy,  
And we have seen a glorious sight.

God's own son,  
He has come,  
He's the one.

Joy is all around, and joy is what we  
feel tonight.  
Come and celebrate, and let the music  
play tonight.

*We will party tonight, we've waited so  
long,  
Glory to God, now we're singing this  
song.  
The light of the world,  
The giver of life is here.*

3. Singing in the heavens, holy, holy,  
holy,  
A song that makes me dance to the  
beat.  
Singing in the heavens, holy, holy, ho-  
ly,  
The party's starting here in my street.

God's own son,  
He has come,  
He's the one.

Joy is all around, and joy is what we  
feel tonight.  
Come and celebrate, and let the music  
play tonight.

*We will party tonight, we've waited so  
long,  
Glory to God, now we're singing this  
song.  
The light of the world,  
The giver of life is here.*

Hallelujah, God be praised.  
Hallelujah, voices raised.  
Hallelujah, God be praised tonight.

*We will party tonight, we've waited so  
long,  
Glory to God, now we're singing this  
song.  
The light of the world,  
The giver of life is here.*

*We will party tonight, we've waited so  
long,  
Glory to God, now we're singing this  
song.  
The light of the world,  
The giver of life is here.*
