

In the following there are two sets of words. The word in the brackets on the left-hand side has been formed using some of the letters of the words on either side of its brackets. You must write the missing word in the brackets on the right-hand side which can be formed from its pair of words in the same way.

For Example:

CONE (COST) FIST STOP (_STAY_) PLAY

Now try these:

MAST (TOMB) BOAT	ARID (_____) BRIM
CROP (PORK) ROCK	FRET (_____) SLOT
