

"I can do all things through him who gives me strength." Philippians 4:13

Hello! My name is Miss Lees, and I am the Special Needs Coordinator (SENCo) at Barrowby Church of England Primary School. I have been in this role for about 4 years, and as part of this I write a termly Newsletter to keep parents of children on the SEN register 'in the loop' about all things SEND related. This newsletter will highlight support that is available in school, and workshops that may be taking place in the local area. For this week, I decided to provide a brief overview of support networks that are available in our local area that you may not be familiar with! If you have any suggestions about what you would like to see in the newsletter please do let me know!

SEND services in school:

Your child's class teacher is always the first port of call for any SEND queries you might have. If you need any further support following on from this, you are always welcome to make an appointment with myself. You will have a SEND Support plan review meeting with your class teacher on 20/10/22.

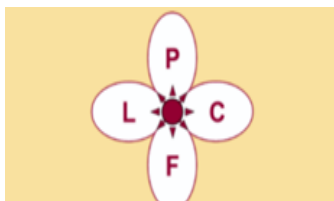

LIASE

They empower families to have the SEND knowledge and understanding they need. They provide confidential and impartial information, advice and support to children and young people (0-25 years) with SEN and disabilities, and their parents and carers. Telephone: 0800 195 1635
