

## Barrowby Church of England Primary School

Dear Parents/Carers

As a part of your child's education at Barrowby CE Primary school we aim to promote safer use of computers, the internet and the ever-growing technological world in which we now live in. As part of our computing curriculum, we envisage to support our children with the knowledge and tools to keep safe from threats and dangers of the online world.

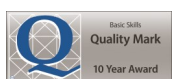

We would like to invite you to take part in a survey focusing on the usage of your child's online access. Following the results of the survey, we are looking to host an online safety workshop later in the Summer term to support you to keep your child/ren safe online.

We would appreciate it if you could take a couple of minutes to complete the survey below in order to help us provide you with the best support.
