

Barrowby Church of England Primary School

March 2022

Dear Parents/Carers

Geography Photographic Competition

Our Place!

I often go out walking in our local area and think, wow, aren't we lucky to live in such an amazing place! There is beautiful scenery, villages to explore, canals and rivers to walk along and interesting buildings to look at.

My challenge to you this month is to take some photographs of our **local area**. You can focus on buildings, transport, homes, fields, forests... the options are endless! Your photo should be clear (not blurry!) and should be **sent in to school via email (enquiries@barrowby.lincs.sch.uk) with your name and class attached, together with a sentence to tell me where the picture was taken.**

All photos will be in with a chance of being displayed in the school to accompany a display about our local area.

There will be one winner from the Infants and one winner from the Juniors for the best photographs as judged by the staff. Prizes will be some brilliant Geography books!

Remember to ask permission to borrow the tablet or camera then go outside and take some fantastic photographs of the world around us. I can't wait to see what you take!

The closing date for your entry is Friday 29th April.

Thank you for your continued support.

Mrs Goodband
