Proposed Easter School

Dear Parents/Carers of Year 6 Children,

Some of your children may have been invited to a proposed Easter school over the Easter holidays. However, due to a lack of uptake from invited children we have decided that it is not feasible to run.

However, before your child breaks up for Easter they will receive a revision pack to complete over the Easter Holidays. There will be more details to follow, but the general idea is that your child will receive revision materials for:

- Maths;
- Reading; and
- Grammar

with a proposed timetable of activities from Miss Lees.

This has been designed to support your child in their studies in preparation for the Year 6 SATs which are taking place during the week beginning the 9th May 2022, and their transition to secondary school.

As a school we recognise that our Year 6 children in particular have missed a proportion of their schooling due to COVID 19 and want to ensure we are giving them every opportunity to reach their potential, and feel that continuing to work albeit in smaller 'bites' of learning over the 2 week Easter holidays will be very supportive for your child.

We would encourage you to complete the work over the 2 week Easter holidays so that we provide our children with every chance of 'catching up' on their lost learning because of COVID which will stand them in good stead for the start of secondary school.

There will be more details to follow, before the end of term.

As always, we appreciate your understanding and thank you in advance for your continued support of your child/ren.

Yours sincerely

Mr Len Batey

Headteacher
