

## *Barrowby Church of England Primary School*

March 22

Dear Parent/Carers of children in Reception and Year 1,

Our Reception and Year One classes have been learning out about Endangered animals. Once they learned lots of different facts they could not stop talking about how they wanted to help. After class discussions they decided they would like to adopt an animal as a class and so they would like to raise some money towards this.

Each class would need a total of £36 to adopt one animal. They would like us to ask you if they could do some chores at home and be rewarded with some money. Any amount that you see fit. They thought they could tidy their room, help with the cooking and/or the washing up, fold their clothes, they came up with lots of super ideas.

If you feel that you could support their cause and, once your child has completed some chores, they can bring in their money and post it into the class collection box, we would be very grateful. Please could any monies be brought into school by Friday 25th March 2022.

We are so very proud of the children and how kind and caring they have been. What wonderful role models they are!

Thank you for your continued support and we hope you enjoy getting lots of chores completed for you!

Many thanks,

Mrs Banfield and Mrs Selby
