

Barrowby Church of England Primary School

4th March 2022

Dear Parents/Carers

This afternoon your Year 6 child will be bringing home a Maths revision guide (in an easy to use keyring format) and a 'Parents guide to SATs 2022'.

The parents guide includes the dates of the SATS, some information about which SATs your child will be taking and some ideas of how to help your child at home.

The Maths revision guide is a tool to help our Year 6 child revise tricky mathematical concepts that have been taught in school, and assist parents with how the concept has been taught.

Alongside TT Rockstars, our Year 6 children will be expected to use the Maths revision guide to help them choose which strands of maths to revise, and complete this as directed.

We hope that as parents you will support your child with this. In addition, before the Easter holidays your child will receive a pack of maths, reading and grammar revision work to be completed over the Easter holidays in readiness for their SATs in May.

If you have any questions please contact Miss Lees.

As always, we thank you for your support.

Kind regards

Mr Len Batey
Headteacher
