## Danceathon - July 2022

### Arts Vision 2021-22

At Barrowby CE Primary School, we are committed to encouraging all our pupils to lead creative lives. This is achieved through an extensive program of activities, available both within and outside of our curriculum and within the wider community which enable our children to:

- foster a love of arts;
- develop specific creative skills; as well as
- teaching them about the importance of cooperation and team-work.

### Arts Summary 2021-22

This academic year, our school began to return to a period of normality, previously experienced before the Covid-19 school closure. Although many of the events and activities we traditionally participate in continued to be postponed, we enjoyed resuming the majority of these events this year. Our vision for arts as a school continues to be focussed supporting our children to lead creative lives, as well as appreciate the value of the arts in supporting wellbeing of pupils and staff.

On Thursday 7th February 2019, our school was notified that our Artsmark application had been screened and validated and that we, as a school have been awarded the Gold Artsmark.

In 2014, we first gained the Artsmark award which celebrated all that we do as a school in both Performing and Visual Arts. In 2018, The Arts Lead and Mr Batey began the process of re-evaluating our school's provision and its impact on our pupils within the Arts. The Case Study was re-submitted: with Bronze, Silver, Gold or Platinum available.

We are delighted that our school has been awarded the Gold Artsmark which recognises our school's commitment to the arts. Mrs Ward, our arts lead will continue to evaluate our arts provision and ensure we are providing children with ample opportunities to express themselves creatively.

At Barrowby CE Primary School, we continually strive to ensure that our Arts provision provides a range of stimulating experiences which enrich our pupils' lives, covering: Performance Arts: Music, Drama & Dance; Visual Arts & Digital Media.
