Working together for young people

September 2021

Dear Parent/Guardian

### EXCITING TRAINING OPPORTUNITY TO HELP RUN AFTER-SCHOOL SPORTING ACTIVITIES AT A LOCAL SCHOOL AND RECEIVE TRAINING

### NO PRIOR EXPERIENCE IS REQUIRED AS TRAINING WILL BE PROVIDED

I am pleased to offer you this opportunity; we are seeking voluntary support from parents/guardians to help run sporting activities at our schools. Through our membership with Inspire+, a local charity supporting the development of PE and school sport, a programme of training is being developed to provide you with all the necessary knowledge and skills to deliver a safe, effective, and child-friendly school sports club.

If you are able to commit to one session a week (before/after school or at lunchtimes for approx. 45 mins per session) for six weeks (or more!) to assist delivering a school sports club please complete the attached form and return it to Kane Goswell, address overleaf, **by the 20th October**. Candidates will have the opportunity to attend the training courses free of charge. This could result in you gaining a National Governing Body coaching qualifications worth between £150 and £250.

**The induction evening will take place on 2nd November 2021 in Grantham, and 3<sup>rd</sup> November 2021, Stamford.**

The Government and health organisations ambition is for children to be more active and participate in more sport each week. If this is to become a reality schools will need to engage the support of adults both within and outside school. Hopefully this initiative is another step in supporting this ambition and I would welcome your support with this initiative. If you have any questions about this programme, please do get in contact by email [kane.goswell@inspireplus.org.uk](mailto:kane.goswell@inspireplus.org.uk) alternatively, 01476 578137.

I look forward to seeing you there.

Kind Regards,

Kane Goswell  
Inspire+ Specialist Sports Coach

I would like to volunteer to support after school sporting activities at a local school. I agree to attend an induction programme and agree to undergo a CRB check.
