

Barrowby Church of England Primary School

Dear Parent/Carer,

National Space Centre Visit

From September, our Year 5 and 6 topic is all about Earth and Space, and to get the term started with a bit of a 'bang', we are planning to go on our first visit of the year, to the National Space Centre, in Leicester.

The National Space Centre has a wide variety of interactive hands on galleries for our children to explore during the visit. These galleries contain everything you need to know about Space including: How Stars are formed, What is gravity like on other planets? and what is it like to be an Astronaut? As part of our visit we will also have a Planetarium Show included, in the 360 degree Planetarium they will experience one of the amazing shows all about Space.

The visits will take place for :

- Year 6 children on Tuesday 14th September 2021
- Year 5 on Tuesday 21st September 2021

Please ensure that your child arrives at school at 8:45am to allow a prompt departure from school at 9.00 am to the Centre. We are expected to arrive back at school in time for usual home time (3:15pm).

We would appreciate a voluntary contribution of £15.20 per child towards this visit. This can be paid through ParentmailPMX and paid in minimum instalments of £5.00 if you wish to spread the cost over the coming months.

Children will need to bring a packed lunch and their water bottle with them on the day of the visit and be in full school uniform.

Please could you complete the form below to give permission for your child to go on this visit.

Yours sincerely

Mr L Batey
Headteacher

National Space Centre Visit

Name of Child _____

Year Group _____

I give permission for my child to go on the visit to the National Space Centre in September 2021.

Yes No

I am happy to pay the voluntary contribution of £15.20 and will pay this via ParentmailPMX
