

Barrowby Church of England Primary School

June 2023

Dear Parents/Carers

My name is Ben and I am the Rocksteady Band Leader at your child's school. I have an exciting opportunity for your child to have a FREE music lesson and experience the positive impact that music can have on your child.

Every week, Rocksteady runs thousands of band music lessons for children aged 4 to 11 across the country, teaching drums, guitar, keyboards and singing. These lessons are a great opportunity to make new friends, learn to play a musical instrument at an affordable price, and develop many life skills such as resilience, confidence, teamwork and musicianship. They will also progress through the Rocksteady curriculum of over 300 skills along the way. If you would like to read more about what Rocksteady can do for your child, please follow the link below.

<http://www.rocksteadymusicschool.com>

The free trial lesson will be during school hours, so you can collect your child at the normal time and place after school. If you would like your child to have a FREE music lesson with myself, please confirm this by email to enquiries@barrowby.lincs.sch.uk with your child's name and their year group for your child to participate in a free music lesson and I will collect them on my next available Tuesday to run the trial lesson.

There is absolutely no obligation to enrol your child after their free trial and we believe that the most important thing is that your child has a fun, positive first experience with music. When they have completed the trial lesson, they will return with a sticker and a ,enter which has all the information you need if you do wish to sign your child up for weekly Rocksteady music lessons.

I hope you have an enjoyable rest of the week and I hope to see your child soon in their first Rocksteady music lesson soon.

Yours sincerely

*Ben Perrett
Band Leader*
