January 2023

Dear Parents/Carers of children in Year 4

We are very excited to be planning a visit for our Year 4 children to visit the Magna Science Adventure Centre in Rotherham for a hands-on, interactive visit to enhance our learning in Science this year. Children will spend their day exploring interactive exhibits, taking part in investigations and experiments and participate in a workshop all about Electricity.

The visit will take place on Wednesday 26th April 2023.

Please ensure that your child arrives at school at 8:45am to allow a prompt departure from school at 9.00 am. We are expected to arrive back at school in time for usual home time (3:15pm).

In order for this visit to be financially viable, we do need a very high level of participation. In the event of insufficient support it is possible that the visit will not be able to go ahead.

The cost of the visit will be £22.79 per child. This can be paid through ParentmailPMX by Wednesday 29th March 2023, payment can be made in full or in part payments should this be financially beneficial for you.

If there are any difficulties regarding payment, you may be eligible for a remission of the costs, if you are in receipt of qualifying benefits. We would also be willing to extend the payment period in certain circumstances, subject to a definite payment schedule being agreed. Please contact the school office for further information about this– any such enquiries will be dealt with in the strictest confidence.

Children will need to bring a packed lunch and their water bottle with them on the day of the visit and be in full school uniform.

If you have placed an order with our hot school meal provider, Ideal, and would like to be provided with a packed lunch in place of the hot meal, please indicate this on the response form below.

Pocket money may brought in a named purse/wallet (£5 maximum) to be used in the gift shop.

Please could you complete the form below to give permission for your child to go on this visit.

Yours sincerely

Mr L Batey
Headteacher
