

# Barrowby Church of England Primary School

January 23

Dear Parents/Carers

## Lincolnshire Sportshall Athletics - Children in Year 5 and Year 6

We are pleased to inform you that your child has been selected to participate in the upcoming Indoor Sportshall Athletics competition. The competition will take place on **Friday 20th January** at the Grantham Meres.

The competition is open to students in Year 5 and 6, and will feature a variety of events including running, jumping, and throwing. This is a great opportunity for your child to showcase their athletic abilities and to compete against other students from the area.

Your child should arrive at school as normal on the day of the competition, where they will change into their PE kit. Your child should then be collected from School at 9:15am and taken to the Meres Leisure Centre for a prompt start at 9:45am. Please ensure your child brings along a water bottle. The competition is expected to finish at 12:00 noon and the children will need to be collected from the Meres Leisure Centre and returned to school where they can have their lunch at their usual time in school.

We advise you to ensure your child has a good breakfast before the day of the competition!

We look forward to an exciting morning of competition and are excited to see our pupils representing the school with pride!

Yours sincerely

Mr L Batey  
Headteacher
