8th September 2022

Dear Parents/Carers,

Individual Healthcare Plans

According to school records, your child has a medical condition and/or medication in school. To ensure that we have all of the relevant information to support your child in school, we would like you to complete an Individual Healthcare Plan for your child. Individual Healthcare Plans are developed in partnership between the school, parents, and the relevant healthcare professional who can advise on a child's case.

You will receive an Individual Healthcare Plan Form tomorrow, **Friday 9th September** via ParentMail which we would like you to complete.

Please fill in the boxes that you feel you are able to, and your child's class teacher will complete the rest. When the Healthcare Plan has been submitted to school and seen by your teacher then a completed version of your child's Individual Healthcare Plan will be sent to you for your records.

If there are any specific details you wish to discuss with your child's class teacher please feel free to ring the school office on **01476 566121** where you will be able to make a mutually convenient telephone appointment with your child's class teacher.

Please ensure the ParentMail form is **completed by Friday 16th September 2022**.

Yours sincerely

Mr L Batey
Head teacher
