

## School Uniform Update

### Buying School Uniform through School Trends

As part of our ongoing commitment to providing the very best support to our families, we have made some changes to how you can order school uniform, which we hope you will find useful.

Parents will now be able to order uniform directly from [School Trends](#), using the link on our school website [uniform page](#). The website includes a size guide. Uniform carrying our school logo can only be purchased through School Trends.

Orders placed online no longer need to be collated and submitted by us in school—this means that you can order at any time—including during the school holidays—and your order will be processed immediately.

You can have your order delivered to your home address—for orders over £50, this is free, for smaller orders there is a delivery charge. However, you can have orders of any size delivered to school free of charge, to be sent home with your child. (You can select your preferred option at the checkout).

All our uniform items are now available to buy online, so you can get everything you need in one go, if you would like to.

We now have a range of plain garments, including, for the first time, a school skirt, and a pinafore dress, as well as trousers for boys or girls.

In addition to our popular Reversible Coat, we are now offering three additional optional items of outdoor wear—a 'lightweight jacket,' 'parka,' and the 'urban' jacket. All these coats carry the school logo, and are excellent value for money.

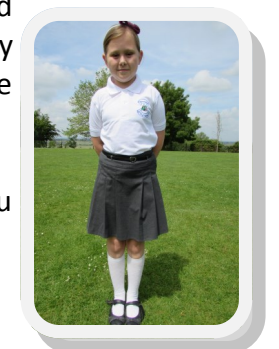

Please note: on the School Trends webpage, there is a list of plain items to the left hand side of the screen. These items do not necessarily form part of our uniform—please select from the pictured items.

### Buying School Uniform from other suppliers

You may sometimes prefer to purchase uniform from local shops or other websites— please have a look on the School Trends website before purchasing as this will help you to choose the correct style and colour of garment for our school uniform— for example, sweatshirts must be round necked, not V-necked, trousers must be mid-grey tailored, not black. If you are in any doubt about whether a particular style is acceptable as part of school uniform, please contact school before committing to the purchase.

We will now only be keeping a very small amount of uniform in school, in case you would like to look at samples of the various items before purchasing online.

**Please order your uniform online in good time for the new school year,  
as we will not be able to supply you from stock when term starts.  
If you are unable to order online, please contact the school office for help.**

There will be a display of some of our new uniform items, at the Summer Fair, on Friday 3rd July.

### 'Pre-Loved' School Uniform

Sometimes children out grow uniform before it's outworn . We have a selection of donated uniform items available at very reasonable prices, and there will be a stall at the Summer Fair where you can purchase these at very reasonable prices. All proceeds from these sales go to FOBS.

Come and have a look—you might find a bargain!

If you have any outgrown uniform in good condition, we are always happy to accept donations. Please contact the school office to enquire about which items and sizes are currently available.

**Our smart and practical school uniforms helps to  
promote high standards and make our school distinctive.**

**Please support us by ensuring that your child always  
comes to school in the correct uniform.**

Thank you to our uniform models—especially for modelling cold weather wear on a really warm day!
