Dear Parents/Carers

As you will be aware, over the last few months we have been working on enhancing many aspects of school life, to ensure we continue to 'strive for excellence' and equip all our children with the skills they need for life within the 21st Century.

To this end, I do hope you can make our Curriculum and Assessment meeting this evening, where I look forward to sharing with you some of the curricular changes and the impact on your child/ren. I am also looking forward to sharing some of our wonderful events which are scheduled, for this term, including Sports' Day and our Biannual Summer Fair. I only hope the weather stays sunny! Enjoy this week's new.

Rounders Tournament

On Thursday 4th July, representatives from Year 5 and 6 competed at the King's Playing Field, within the Rounder's Tournament. The children thoroughly enjoyed themselves and were a credit to our school. They played a range of games and developed further team skills including communication, cooperation and the necessary skills associated with rounders such as bowling, batting and fielding.

A special thank you to Mrs Kay and Mrs Morris for accompanying the children as well as the many parents who attended and supported the school team. Well done to everyone!

Induction Morning

Children who will be starting at Barrowby School in our Reception Year group in September joined us for a morning in school on Tuesday, whilst their parents attended a meeting about school life, and starting school. Mrs Banfield and Mrs Selby met the 'new' children, who enjoyed a variety of activities in the classroom and outdoors. I am very pleased to be able to tell you that Mrs Selby will be returning from her Maternity Leave, full time, from the beginning of September.

Children will come into school for another induction session next Tuesday afternoon.

Reminder:

**National Curriculum and Assessment Information Evening for Parents
Today : Wednesday 10 June 5.00pm**

You are welcome to bring your children with you, if you are unable to arrange childcare. There have been a number of changes to our school curriculum and assessment procedures, this year. The meeting will cover changes to the school curriculum and assessment; providing further support for our parents. The meeting will last for 30-45 minutes. If possible, please book tickets for this event, in advance, through Parentmail so that we can ensure we can cater for all who wish to join us.
