Barrowby Church of England Primary School

Newsletter 25th May 2018

Rejoice in the Lord always. I will say it again: Rejoice!

Philippians 4:4

Parents/Carers

Well here we are the end of the 1st half of the Summer term, getting ready for the half-term break. I can't believe where the time seems to go. This week has seen a wide range of activities for the children to enjoy, including all areas of Barrowby School life: academic success, arts and sport. I hope you enjoy reading this week's newsletter. Happy reading.

Mr L Batey-Headteacher

Events In School

Rounders Tournament

On Thursday 24th May, representatives from our Year 6 class participated in the annual Rounders Tournament, held at the King's playing field.

The 11 strong squad took to the field with energy and a real sense of purpose. They played 4 games in their league, developing further their fielding, batting and communication skills as the tournament progressed. We are delighted to announce that our team came 3rd in their league. They then progressed to the next phase of the tournament to play for overall position within the tournament.

It is obvious the children thoroughly enjoyed themselves as they played superbly throughout the day: lost 2, drew 1 and won 2. Out of the 19 schools that participated our school came 9th overall (2 places up on last year's 11th place). Well done to all the children who played, to Mrs Kay and Mr Batey for accompanying the children and to the parents for continuing to support their children. A real team effort everyone!

Year 5 Class Assembly

On Friday 25th May, our Year 5 children amazed the school with their fantastic performance of 'You Can't Forget About the Vikings!' As the parents settled into the hall, they watched a short video of our recent 'Viking invasion,' before the performance began. They were then delighted as the children showcased some of the things they have learnt throughout their topic through drama, song and movement. With wonderful costumes, and a sense of confidence our Year 5 children sang 'their helmets off' to the whole school and visiting parents. What a fantastic way to celebrate the first term of their exciting topic! A massive well done to all involved-you were brilliant!

Governor Meetings
