## Barrowby Church of England Primary School

### Newsletter 16th March 2018

*Greater love has no one than this, that he lay down his life for his friends.*

John 15:13:

#### Parents/Carers

Well here we are, fast approaching the end of another very busy term, at Barrowby CE Primary School. This school week has been filled with excitement from Choir performances, launch of National Science week and beyond. I hope you enjoy learning a little bit more about Barrowby School life. Happy reading.

Mr L Batey-Headteacher

#### Events In School

##### Gymnastics Competition

On Sunday 11th March, a team of enthusiastic gymnasts, comprising of boys and girls competed in the annual competition at the Meres Leisure Centre. Congratulations to all competitors who took part-you demonstrated real 'can do' attitudes, well done!

#### Science Week

This week sees the launch of National Science Week! In order to celebrate this, we are taking part in a variety of activities as a whole school linking with this year's theme, 'Exploration and Discovery'.

On Monday 12th March, Miss Swatton introduced this to the whole school, in assembly and explained how the children will be involved throughout the 10-day celebration.

This included, a description of our newly created 'House competition,' 'Run to the Deep' where each child will run a certain amount of laps around the playground. For each lap they run they will acquire a distance in metres. The challenge...how far can they 'dive beneath the ocean?' Next to the Reception offices, you can see the newly created display where each House is represented by a coloured submarine; where you can track their progress. Good luck everyone!

As well as this, each class will continue to develop their scientific enquiry skills learning more about predictions, variables and methodologies developing further their understanding of how to create 'fair tests.' At the end of the 10 day celebration, we will be creating a vibrant display to communicate the highlights of this exciting initiative.

#### Grantham Music Festival

On Monday 12th March, our Key Stage 2 Choir with Mrs Selby, Mr Batey, Mrs Bird, Mrs Morris and Mrs Midgley travelled to Grantham to take part in the annual Grantham Music Festival.

The children were a real credit to our school, in fact the judicator was so impressed with our school that she commented, 'she had not heard a school choir like us before.' The children were commended for their exceptional performance, both technically and artistically and were awarded a score of 90, which saw them placed 2nd overall.

With this term's success at Colsterworth Performing Arts and now Grantham Music Festivals, our children should be proud of their achievements. Well done to everyone, as we all 'continue to shine' at our school. This makes the total for arts awards this term...11. An all time high, wow!

## Net Ball Fixtures

The final two matches were played by our High 5 netball team to complete League 4, on Thursday 15th March. We won our first match against Denton with a close 4 goals to 3. It was clear to see the improvement the Barrowby team had made since their last matches.

In the second and final match against Claypole the team kept their spirits high and showed great determination. The end result was 5:1 to Claypole, they played a great match and we are very proud of our team's efforts. Well done to the whole team, thank you for taking part and representing our school so very well. The team will have another opportunity next week to take part in this year's High 5 Netball Festival. Good Luck it's all to play for!

## Easter Praise

Next week, our Year 3 and 4 production of 'Easter Praise' will be performed. Tickets are being sent home with children today. FoBS would be grateful for any donations of raffle prizes e.g. bottles of wine, biscuits, cakes etc for these performances. These can be sent to the school office. Thank you for your continued support.

## School Meals

Most children in Reception and Key Stage 1 have a hot meal every day from Ideal. They enjoy trying different foods and as a school we very much encourage this. There are, however, a few children who are being ordered a meal repeatedly, by their parents, who do not like and will not eat, despite encouragement from lunchtime staff. When ordering school meals for your child, please can you ensure that you are ordering food that your child will eat. We do not have any spare food to give them as an alternative, and we do not want children to be hungry for the remainder of the day.

## Class and Team Photographs

Your child will be coming home tonight with their class and team photographs. Please can all orders be returned to school by Monday 26th March 2018.

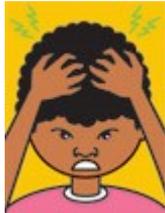

Don't Miss the  
**DEADLINE!**

## Extra-Curricular Clubs

All extra-curricular clubs finish **today**.

## Head Lice

We have been made aware of a case of head lice in school. We would therefore ask that you check your child's hair this evening as a preventative measure and if signs of head lice are found that these are treated promptly either by products available over the counter or by the use of a very fine toothed comb.

Head lice myth buster				
<b>Myth or truth</b>	 <b>State of hair</b>	 <b>Length of hair</b>	 <b>Spread of lice</b>	 <b>Itchy scalp?</b>
<b>Myth</b>	Prefer clean hair	Prefer long hair	Jump and can spread via clothes/towels	Always means itchy scalp
<b>Truth</b>	Infect both clean and dirty hair	Infect all lengths and types of hair	Walk from head to head	Only itches if allergic to bites/faeces

## Message from Mr Batey

We are delighted to inform our Year 3 parents that Mrs Goodband will be returning to work, on Monday 19th March 2018. Therefore, Mrs Goodband will return to teaching her Year 3 class: Monday, Tuesday and Wednesday morning and Miss Fulcher will revert back to teaching on a: Wednesday, Thursday and Friday morning. Thank you to Miss Fulcher and to Mr Liversidge for supporting the children in Year 3, during Mrs Goodband's absence and to our parents for their continued support and understanding at this difficult time.
