Barrowby Church of England Primary School

Newsletter 21st September 2018

*Ask, and it will be given to you; seek, and you will find;
knock, and it will be opened to you*

Matthew 7:7

Dear Parents/Carers

Well, what another very busy week we have all enjoyed here at Barrowby CE Primary School. We've enjoyed a whole host of weather this week from sun, wind, rain and storm-like conditions creating 'soil winds' and even damaging school trees-what a week! Despite all of this, our school continues to thrive and the children continue to 'shine.' It was lovely to see some of our Reception parents at our very first 'Parent Collective Worship' this morning-I hope you all enjoyed sharing in our Collective Worship and celebrating all that our school has to offer. I hope you enjoy reading this week's newsletter.

Len Batey-Headteacher

Events

Y5 & Y6 Cross Country

On Wednesday 19th September, our 20 strong team of Cross-Country Runners from Year 5 and 6 again competed in their 2nd event of the season. Despite the weather, 'actual cross-country running weather' the children pushed themselves to the limit and in some cases performed better than they had done the week previous.

Our children excelled themselves on Wednesday, running in rain, with slight wet conditions underfoot. They never gave up. They didn't complain. They 'shone like the stars' they are. Well done everyone!

The team have only got 1 more event left, on Wednesday 3rd October. Good luck everyone. Thank you to all the parents who stayed, despite the weather, to support our team and to Mrs Banfield and Mr Batey for accompanying the children.

Reception Collective Worship

This year, we would very much like our parents to see all aspects of school life with Collective Worship being a very important part of our daily routine. Today, Friday 21st September, we welcomed our Reception parents into our collective worship. It was lovely to see so many of them and we hope they enjoyed seeing the whole school coming together in this way.

There will be further opportunities for parents of children in all year groups to come in and join us, with invitations being sent out by Parentamil PMX.

Extra-Curricular Clubs

Places have been allocated onto our Extra-Curricular Clubs for the Autumn term. You will have received an email today if your child has been allocated a place on the after school activities only. If you have not received an email then unfortunately your child has not been allocated a place but has been placed onto the reserve list for this club. All children who requested a lunch time club have been given a place on the requested club.

All clubs start next week with the exception of the Strictly Club which starts after half term and Year 3 & 4 Football which starts on 2nd October.

BOOK NOW

Parental Visits for Reception 2019

Now is the time for parents with children due to start school in September 2019 to be booking their appointments with the school for a look around. These appointments have been scheduled for most Tuesday and Thursday mornings.

I am giving you a new command. You must love each other, just as I have loved you.

John 13:34-35

MEET & GREET

Reminder for 'Meet & Greet'

Just a reminder to parents that on Wednesday 26th September from 3.15 until 4.00 pm we are inviting parents into school for a meet and greet with their child's new class teacher. Year 6 parents are invited from 4.15-5.00pm, prior to the London Residential Meeting.

Macmillan Coffee Morning

On Friday 28th September, you are invited to join us for our MacMillan Coffee Morning. This will be in the school hall from 2.15pm until 3.15pm. As well as refreshments, there will also be a raffle.

Should you wish to donate cakes for this event we ask for these to be brought into school on Thursday 27th September or the morning of Friday 28th September.

All funds raised go to this fantastic charity and we look forward to seeing you there.

Have you lost a Scooter?

A scooter was left at the school gates earlier in the week. If it belongs to your child then please contact the school office to arrange collection as this was handed in to the school office.

Gravity Fields

On Saturday 29th September, why not come and join our school's 'Voyage of Discovery' procession through Grantham?

Last term, our Year 5 children (who are now in Year 6) had the exciting opportunity to work with an LED light artist to create a range of sculptural forms-flowers-to be used at this years event.

On Saturday 29th September, Mr Batey, Miss Lees, Mrs Tinkley and other members of staff and their families will be waiting outside the Conduit Café, in Grantham's Market Place at 6.15pm to welcome **any and all members** of our school community to join with them, in the Barrowby CE Primary School's 'Voyage of Discovery' procession-starting at 6.30pm. If you intend to join us, please could you wear an item of 'Barrowby Blue' so we can unite as a team. Uniform is not required, as this will probably be covered by a coat-so perhaps a 'Barrowby Blue' headband, scarf, gloves, coat or piece of clothing is fine.

Due to the nature of the event, we request that any children attending should be accompanied by their parents and/or family and the adults should be prepared to walk with their child/ren and the school procession across the Market Square, onto the High Street and towards St Peter's Hill where our art work will be handed over and presented to Grantham's Museum. The he final display will be created, on the green outside the Guildhall. After which, the children and their families are at liberty to enjoy the evening's festivities.

Gravity Fields is a wonderful community event with a vast range of activities and entertainment for you and your family to enjoy. This wonderful evening will conclude with a spectacular fireworks display at 10.00pm, in front of the Guildhall. We hope to see you on Saturday 29th September at 6.15pm!

E-Safety Reminder

It has come to the school's attention that some of our pupils are playing an online game called 'Fortnite.' Unfortunately this game has a 12/13+ rating guidance and 'simulates battles using strategy in fantastic game action.' As a primary school, we would advise that our pupils are too young to play games of this nature and would recommend to our parents that all games should be age appropriate. Please visit our school's website to learn more about [keeping your child safe on-line](#). Furthermore, we advise, Primary school children should not have unsupervised access to sites such as YouTube, Facebook or other social media services or platforms. [You can view our E-Safety Leaflet here.](#)

E-SAFETY
Stay Safe Online

Make your light shine, so that others will see the good that you do and will praise your Father in heaven.
