## Newsletter 31st January 2020

*Jesus said, Let the little children come to me, and do not stop them, for the kingdom of God belongs to such as these. Luke 18:16*

Dear Parents/Carers

Well, what another very busy week we have all enjoyed at school. This week we again have been preparing for the Colsterworth Performing Arts Festival. The children are all working hard and we are all looking forward to seeing the many groups perform.

In addition, various members of staff have been helping me to review our school's vision. The simple question that has guided us: What type of children are we trying to develop at our school? Next week, we hope to send out an electronic survey for our parents, so you can all reflect upon our school's vision.

I've also been working with the teachers and teaching assistants reviewing our schools Marking and Feedback Policy; reflecting upon current research from the Educational Endowment Foundation as well as recognised 'best practice' when working with children-in the classroom. I hope to write to you all soon, with an overview of how we intend to enhance the quality of the feedback we provide to our children, in order to help them maximise progress. I hope you enjoy reading this week's newsletter and learning a little bit more about school life..

### Events In School

#### Bikeability

All children in Year 5 will be bringing home a Bikeability consent form in their book bags tonight. The Bikeability training takes place in school from Monday 29th June until Thursday 2nd July 2020 and is designed to equip cyclists with the knowledge, skill and on-road experience to make a journey safely and confidently by bike on local roads. Please could you return the consent form to school by Monday 10th February 2020.

### Head Lice

Unfortunately, we have to inform you that a case of head lice has occurred in school. We would therefore ask that you check your child's hair this evening as a preventative measure and if signs of head lice are found that these are treated promptly either by products available over the counter or by the use of a very fine toothed comb.

#### Head lice myth buster

| Myth or truth | State of hair               | Length of hair         | Spread of lice                         | Itchy scalp?                            |
|---------------|-----------------------------|------------------------|--|---|
| Myth          | Prefer clean hair           | Prefer long hair       | Jump and can spread via clothes/towels | Always means itchy scalp                |
| Truth         | Infect both clean and dirty | Infect all lengths and | Walk from head to head                 | Only itches if allergic to bites/faeces |

## Performing Arts Opportunity-Oliver!

We are happy to signpost out of school activities from other providers. However, parents should not regard this an endorsement or recommendation, and must satisfy themselves of the suitability of the activity for their child.

Harrowby Singers' next production of Oliver! promises to be an exciting opportunity for those involved and will take place at St Wulfram's Church, Grantham on 28th – 31st October 2020.

They need help in spreading the word about this excellent opportunity available to children aged 7-15 in order to cast Fagin's gang. There is an 'open evening' on Monday 3rd February at 7.30 pm at St John's the Evangelist Church, Spitalgate, Grantham for anyone interested.

You can also register your interest by emailing [harrowby.singers.oliver@outlook.com](mailto:harrowby.singers.oliver@outlook.com)

## Times Tables Rock Stars

We have been informed that there has been a slight 'glitch' with the Times Table Rockstar application, where children's accounts, predominately those in KSI have been reset to include facts up to 12 x 12.

Please be assured that this has now been rectified and 'play' should be able to return to normal.

Thank you for your continued understanding and support.
