Dear Parents/Carer

Well, what another very busy week this week. To be honest the weather has been glorious and this week, we have all enjoyed 2 acts of Collective Worship-outdoors. One at the beginning of the week, on Monday and one today. It is great that we can facilitate these outdoor opportunities in a COVID secure way, so we can come together and celebrate as a school family.

Today, I am looking forward to Monday 14th June where I hope to learn whether or not the Government will be progressing to Stage 4 of the Government's Roadmap or whether they are planning to delay this due to the increase in transmission rates.

Next week, we hope to begin to evaluate our school organisation and communicate whether we can begin to allow parents back onto the school grounds to enjoy school based events such as Sports Day. I hope to be able to confirm the school's position next week, after the Prime Minister's announcement on Monday 14th June.

Please can I remind parents that if you enter the school building e.g. school foyer we still require you to wear a face mask. At this time, all visitors and staff continue to wear face masks in communal areas within the school building. Thank you for your understanding and support.

As we look forward, I am optimistic that our school will be able to return to 'normal.' I am pleasantly surprised with how resilient our children are, as they continue to enjoy all that our school has to offer, from: learning in classrooms, playing outdoors, creating memorable experiences such as the Year 6 Gala Dinner as well as taking part in themed days etc. It is great to see how the teachers have responded to the new challenges of COVID.

At this time, I am hopeful that we will be able to make it through the next 6 weeks without any bubble closures.

Please can I ask that you continue to be vigilant and follow the school and Government's guidance on social distancing. When waiting at school to drop off/collect your children please ensure you maintain distance between yourself and other households.

Well done everyone, we're almost there. I hope you enjoy reading this week's newsletter.

Mr Len Batey Headteacher  
Barrowby CE Primary School

## Celebrating Success

During the month of May one of our Year 6 pupils took part in a marathon running a staggering 26.2 miles in total!

Running alongside RNIB #marathon mates he raised over £650.00 for this worthwhile cause. What a super achievement and a marvellous example of 'can do' attitude. Well done!

## Events In School

### Max Respect Workshop

On Monday 7th June, our Year 6 children were lucky enough to have a visit from Delphine Norton, from Max Respect Lincolnshire. Many of our children will be travelling to secondary school next year via Public Transport, and Delphine spoke to the children about the importance of bus safety. The children learnt about how to use their bus pass, and what to do if they miss the bus. **Reminder for parents:** Don't forget to apply for your child's bus pass before they start Secondary school!

### Tennis Coach - Reception and Year One

To say Reception and Year One enjoyed their first Tennis session, on Monday 7th June, would be an understatement, they LOVED it! Lewis from the Grantham Tennis Centre coached each class developing Tennis skills. They learnt to get into the ready position, to throw and catch the ball to themselves; improving their hand-eye coordination, to pass a ball to a partner through a target area, to control the ball with a tennis racket and to balance a ball on the racket without it falling off as they moved. There was even time for a quick game of ground tennis. Wow! And that was just session one! The children can't wait to learn more next week. Thank you, Lewis!

### Roots For Food

Wow! What an incredible experience. On the afternoon of Thursday 10th June, Miss Lees' Year 6 class were responsible for hosting their gala dinner for Miss Swatton's class and what an incredible job they did. The children spent the morning working with Darren from Roots to Food chopping, slicing, preparing and cooking some delicious meals for their guests to enjoy as well as learning about some of the nutritional information of the food.

Their classroom was transformed with some incredible artwork themed around William Shakespeare with some fantastic paintings including Romeo and Juliet and the Globe Theatre, we almost forgot we were in a classroom! The tables were expertly set fit for a banquet with table cloths, professionally folded napkins and all the cutlery for each course.

Our afternoon began with a refreshment served by our very own Sommeliers as the children prepared to enter the restaurant. The Sommeliers did a splendid job at keeping their guests all refreshed throughout the afternoon. Upon entry, the diners were treated to a wonderful musical performance on the clarinet by Bradley which really set the scene for the event. Head waiters, Toby and Jessica, lead the train of waiters to deliver the delicious courses that were enjoyed throughout the afternoon.

To start taste buds were tantalised by a delicious Leek and Potato soup served with a homemade bread roll. The main course was exceptional with a tasty plate of Spanish meatballs and pasta or a vegetarian option. Then finally the diners enjoyed a delicious dessert of Eaton Mess. The head waiters, Toby and Jessica, also did a fantastic job keeping everything in order throughout the afternoon and checking on their guests. Every course was given 5+stars by the diners.

Throughout the afternoon, additional musical performances were also enjoyed by some fantastic entertainers: Okitha on the guitar, Ethan on the guitar and Anagha on the flute. All the entertainers were brilliant and it was a pleasure to listen to them perform.

On behalf of all of Miss Swatton's Year 6 class and the special guests, Mr Batey, Mrs Kay and Mrs Goodband, we would like to thank Miss Lees, Miss Lees' year 6 class and all the adults who supported for delivering a truly fantastic afternoon event. What a wonderful afternoon to enjoy in our final term at Barrowby. We look forward to next week's event where the other half of Year 6 can hang up their aprons and enjoy being the guests!

### Chickenpox

We would like to make parents aware that we have had a case of chickenpox in school and would ask parents to be vigilant. The classic symptom of chickenpox is a rash that turns into itchy, fluid-filled blisters that eventually turn into scabs. The rash may first show up on the chest, back, and face, and then spread over the entire body, including inside the mouth, and eyelids. If your child has chicken pox they should be kept off school until all of the blisters have crusted over.
