Greater love has no one than this, that he lay down his life for his friends. [John 15:13](#)

Dear Parents/Carer

Well what a wonderful week it has been in school. It has been great to have a school full of children, I didn't realise how much I have missed them all. Today, it was lovely to see and hear everyone in Collective Worship, as we conducted it over TEAMS, internally to the school.

Please remember that all our children deserve a great big well-done this week, they have come back and settled in to school relatively easily.

I would also like to thank you today. When I went outside at 8.45am to open the gate, there was no queue of children waiting to come in to school. Thank you. I understand it must be frustrating but please continue to follow our lead and together we will come out of this.

As a school we are beginning to plan for the Easter and the Summer Term. We hope to do an array of enrichment days for the children so that they can enjoy all our school has to offer at this difficult time. There will be no extra-curricular clubs happening this term and unfortunately, until the restrictions are lifted I can't see those resuming.

However, we do plan to ensure that all our children enjoy school life. Last year, we proved we could operate our bubble structure within the confines of social restrictions which allowed our children to enjoy many of the traditional events they have come to expect at our school including: the Easter Service, Reception Easter Bonnet Parade, Sports Day as well as the end of year production for Year 6 and their end of year party. In addition, we are planning this year's Gala Dinner for our Year 6 children alongside an exciting overnight camping opportunity, on the school grounds-if Government restrictions allow. We hope to be able to do all of this with regards to social restrictions and guidance which may be in place at those times.

It is important that we continue to do all we can to reduce the risk of transmission and help to keep our children in school. The risk of bubble closures still looms. I am aware of a school in Grantham that has had to close bubbles this week. I do not want that for our children.

Help me, to ensure our children won't miss anymore of school. They've missed enough. With that in mind, I hope you enjoy reading this week's newsletter.

Events

Inter School Skipping Competition

Many children successfully took part in this term's skipping competition, both in school and at home. We are pleased to inform you that the certificates have arrived and will be sent out with the children this week. Well done everyone that got involved and represented Barrowby!

11+

Supporting our children

On Thursday 11th March Mr Batey enjoyed his first 11+ session with the children in Year 5. He spoke to the children about the many opportunities that all secondary school's can offer.

The children enjoyed exploring critical thinking skills as well as applying them to an array of problems. If you would like to learn more about how our school will support our Year 5 children with 11+ please [CLICK HERE](#).
