Year 3 Visit to Belvoir Cricket Day

On Monday 26th June, Year 3 visited Belvoir Cricket Club to take part in a cricket and countryside day. A new location for many, with some fantastic views of the Vale of Belvoir and the castle itself.

The morning started with a range of cricket activities, focusing on bowling, batting and fielding. As the children were shown fundamental skills by players and coaches from Belvoir Cricket Club. The children really got involved with highly active and exciting activities.

The afternoon began to explore the countryside element. The children took part in 4 different activities with a special surprise at the end. In the first activity, the children got to meet a Harrison Hawk, being able to watch him eat, talk (squawk) and able to get close enough to touch him. The next activity saw Jane Barnes from Farmer Barnes' Dairy, she gave the children some inside knowledge of how the dairy farms operate, as the children could handle and see some of the technology the farm use.

The third activity, the children could show off their cricket skills which were learnt in the morning session in a game. We rounded off the activities with orienteering, the children had chance to explore the grounds whilst using their maps and cards to find stations.

The final surprise came when the children were able to meet the Belvoir Hunting Hounds, a lovely way to end a beautiful sunny day, full of action and adventure!

Mini Police - Bike Marking

On Wednesday 28th June, PCSO Mooney came in to school for a Bike Marking session. This involved children being given a kit including security tagging stickers and invisible pen. With the help of our Mini Police representatives, children were able to make their bikes in invisible pen so that in the event of their bike being lost or stolen, it is easily identifiable.

Thank you to our Mini Police for supporting and a big thank you to PCSO Mooney – this was her last session working with us as a school and we wish her the best for the future.

Year 5 Positive Relationship Workshop

On Thursday 29th June, Year 5 were visited by Alice from Positive Health who spoke to them all about 'Positive Relationships'. To begin with, the class explored good relationships and what makes them successful before moving on to hearing about consent in relationships and being able to make decisions about their own safety.

They also learned a little bit more about online safety including staying safe on social media and understanding that not everything on social media is real! The children behaved incredibly well, asked lots of questions and engaged with the session. Well done Year 5 and thank you to Alice for her guidance.

Mrs Selby's and Mrs Banfield's Class Visit to White Post Farm

Our Reception and Year 1 classes have had a very exciting week; they have been on their very first school visit. They travelled to White Post Farm on a bus, which created a lot of excitement! When they arrived, they were greeted by two guides who showed them around the farm. The children saw all sorts of wonderful animals and got to stroke some of them. They learned about how to care for the animals and even fed some of the sheep and goats.

What a wonderful experience! The children were exceptionally well behaved and were a credit to our school. Please, can we take this opportunity to say thank you to the members of staff and parents who accompanied the children on the visit.
