All About Me

Name: _____

Date of Birth: _____

Nursey/Pre-school attended _____

At Barrowby Primary School we like to find out about our new children. When a child starts at our school we ask parents to complete this 'All About Me' booklet. The information you provide will help us to find out more about your child's developmental stage, their interests and what makes them happy.

We will use this information to help your child to settle in and allow us to plan exciting and appropriate experiences so they can learn and develop to their full potential. There are no right or wrong answers and don't worry if you are unable to answer them all!

The back page outlines the seven areas of learning and development that your child will be learning and exploring throughout the year.

Thank you for your time.

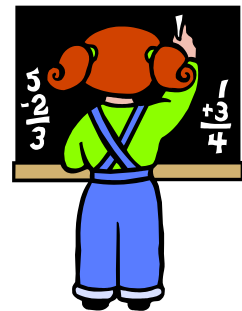

Language/s spoken at home

Favourite/Special Toy

Familiar or favourite Stories or Books

Familiar or favourite Songs or Rhymes

Particular Interests

Tell us about your family and any other important adults to your child:

Brothers/sisters, grandparents, aunts/uncles, close friends?

Share with us any concerns or worries you may have.

Any additional information we may need to know.

Personal, Social and Emotional Development

I am confident to try new things. *For Example...*

I can make choices and like to do some things by myself. *For Example...*

I respond well to encouragement. *For Example...*

Communication and Language

I can show and tell you what I'm thinking and doing
For Example...

I enjoy music, rhymes and songs. *For Example...*

Literacy

I can make marks with different things e.g. chalk, crayon, paint etc. *For Example...*

I enjoy listening to stories. *For Example...*

Mathematics

I can use number words in my play and in songs.
For Example...

I can sort objects into groups, e.g. sorting cars from boats when tidying up. *For Example...*

I can explore shapes and sizes of things e.g. puzzles, building blocks. *For Example...*

Understanding the World

I can explore new things and how they work
For Example...

I enjoy exploring how mechanical and ICT things work, e.g. electronic toys, computer. *For Example...*

I can tell you about special people or events in my life. *For Example...*

Physical Development

I can move around in a range of ways, e.g. jumping, climbing. *For Example...*

I am able to manage my own toileting and hand-washing, with support if necessary. *For Example...*

I am showing increasing control using my hands and fingers to do things, e.g. feeding, building, buttons, drawing. *For Example...*

Expressive Arts and Design

I can show an interest in colours and recognise the difference between them. *For Example....*

I enjoy imaginative play. *For Example...*

I show an interest and join in with songs and music-making. *For Example...*

The Seven Areas of Learning and Development

Personal, Social and Emotional Development — Your child will learn to be self-confident, take an interest in things, know what their own needs are, tell the difference between right and wrong, and be able to dress and undress.

Communication and Language — Your child will learn to talk confidently and clearly, enjoying stories, songs, rhymes and poems.

Physical Development — Your child will learn to move confidently, controlling their body. They will climb and balance, jump and roll. They will develop small physical skills and learn to handle equipment. They will also begin to develop an awareness of their own physical and health needs.

Literacy — They will learn new words, develop listening skills and hear and say sounds. They will look at books and print and begin to make marks and patterns.

Mathematics — Your child will develop an understanding of maths through stories, songs, games and imaginative play. They will become comfortable with numbers and with ideas such as 'heavier than' or 'bigger'. They will become aware of shapes and space.

Understanding the World — Your child will explore and find out the world around them, asking questions about it. They will build with different materials, know about everyday technology and learn what it is used for. They will find out about past events in their lives and will begin to show an awareness of other cultures and beliefs.

Expressive Arts and Design — Your child will explore colours and shapes in their play. They will try out dancing and moving and make things using their imagination. They will tell stories using props and puppets, learn new songs and make music.
